

Economic Services Administration TANF - Total CFC Monthly Monitoring Report

The **Temporary Assistance to needy families (TANF)** program provides benefits for low-income families with children. These include cash assistance and services that families need to work, look for work, or prepare for work. The TANF Total caseload includes the 'Work First' and 'Child Only' caseloads

Month	Actual	Forecasts		Budget/Current Forecast and Variance		
		Nov 2020	Feb 2021	Feb 2021	N	%

TANF - Total
CFC Monthly Monitoring Report

Descriptions:

- **Actual:** Cases, defined as units of one or more related individuals whose needs are covered by a single money grant, service or vendor payment. The data are lag adjusted and the most recent month of data is not shown.
- **Budget Forecast:** Caseload forecast adopted by the Caseload Forecast Council to serve as the basis for the biennial or supplemental budget. The actual budget may incorporate adjustments to this forecast to reflect legislation and policy decisions by the legislature subsequent to the development of the forecast.
- **Current Forecast:** Most recent forecast adopted by the Caseload Forecast Council; may be the same as the Budget Forecast.

Disclaimer of Liability:

Although the Washington State Caseload Forecast Council does all that it can to assure the accuracy of its forecasts and the data on which its forecasts are based, no warranty expressed or implied is made regarding accuracy, adequacy, completeness, legality, reliability, or usefulness of any information contained herein. This disclaimer applies to both isolated and aggregate uses of the information. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.
