PREFACE

This report summarizes the 25,186 Washington State adult felony sentences imposed from July 1, 2016 through June 30, 2017 (Fiscal Year 2017). The tables in this report were generated from the Council's database, which includes data on all Sentencing Reform Act (SRA) offenders sentenced during Fiscal Year 2017.

Washington State Sentencing Guidelines

Washington is a presumptive sentencing guidelines state. Under the Washington Law¹, offenders convicted of felonies are sentenced to a determinate term of confinement within a presumptive standard range unless a sentencing alternative or exceptional sentence outside the standard range is imposed. The 25,186 sentences imposed in FY2017 represent a 4.2 percent increase over FY2016.

Presumptive Standard Range Sentences

The majority of Washington felony sentences are within the “standard range.” The appropriate presumptive range is determined by reference to the seriousness of the current offense, the number and type of the offender’s prior offenses and other current offenses. In FY2017, most of the felony sentences (81 percent) were within the standard range.

The presumptive standard range may be increased by sentence enhancements. The legislature has created sentence enhancements for felony traffic crimes involving intoxication, crimes involving a deadly weapon, and certain drug-related crimes.

Standard range sentences are not appealable.

Sentencing Alternatives

Several alternatives to standard range sentences are available for some offenders. In FY2017, 17.9 percent of sentences were ordered using alternatives to the standard range.

- The First-time Offender Waiver (FTOW) is available for non-violent first time felony offenders, who have not committed sex and drug offenses, in which the standard range sentence may be waived. Using this alternative, a sentencing judge imposing an FTOW waives the standard range sentence and as an alternative imposes up to 90 days in jail, up to twelve months or six months of community supervision, and several other non-offense related conditions, such as community based treatment.
- The Special Sex Offender Sentencing Alternative (SSOSA) is available for the sentencing of sex offenders with no prior felony sex convictions. The alternative is limited to sex offenders whose current offenses do not include a serious violent offense with a sexual motivation finding: Rape 1, Attempted Rape 1, or Rape 2. Offenders must also have a current offense

¹ Sentencing Reform Act (SRA) of 1981, as amended, RCW 9.94A *et seq.*

and criminal history that permits the court to impose a standard range sentence of less than eleven years confinement.

A person sentenced under SSOSA receives a suspended sentence within the standard range, a jail term of up to twelve months, and conditions of the sentence that may include inpatient and/or outpatient treatment.

- The Drug Offender Sentencing Alternative (DOSA) is available for certain chemically dependent offenders. This alternative permits departure from standard range sentencing and results in a reduction of confinement time for eligible offenders combined with intensive treatment.

An offender is eligible for a DOSA alternative if:

- The maximum of the standard sentence range for the current offense is greater than one year,
- The current offense is not a violent offense, not a sex offense, does not have a weapon enhancement, not a felony driving while under the influence of intoxicating liquor or any drug under RCW 46.61.502(6), not a felony physical control of a vehicle while under the influence of intoxicating liquor or any drug under RCW 46.61.504(6),
- If the current offense constitutes a violation under the Uniform Controlled Substance Act, the court must determine that the offense involved a small quantity of the controlled substance,
- No prior sex offenses,
- No prior violent offenses within ten years of the current offense.

There are two DOSA options available to the court for eligible offenders, depending on the length of the offender's standard range:

- i. Prison-based DOSA alternative: The court may impose a prison-based DOSA sentence on any eligible offender consisting of a period of total confinement in a state facility for one-half the midpoint of the standard sentence range or twelve months, whichever is greater and one-half the midpoint of the standard sentence range as a term of community custody, which must include appropriate substance abuse treatment in a program that has been approved by the Division of Behavioral Health and Recovery within the Department of Social and Health Services.
 - ii. Residential DOSA alternative: If the midpoint of the standard range is twenty-four months or less, the court may impose a residential DOSA sentence consisting of a term of community custody equal to one-half the midpoint of the standard sentence range or two years, whichever is greater, conditioned on the offender entering and remaining in residential chemical dependency treatment certified under chapter 70.96A RCW for a period set by the court between three and six months.
- The Parenting Sentencing Alternative (or Family Offender Sentencing Alternative) is available for the sentencing of an offender who has physical custody of his or her minor child

or is a legal guardian or custodian with physical custody of a child under the age of eighteen at the time of the current offense.

An offender is eligible if the high end of the standard sentence range for the current offense is greater than one year, and the offender:

- has no prior or current conviction for a felony sex offense or violent offense,
- has not been found by the United States attorney general to be subject to a deportation detainer or order and does not become subject to a deportation order during the period of the sentence; and
- signs release of information waivers required to allow information regarding current or prior child welfare cases to be shared with the department and the court.

Under this alternative, the sentencing judge may waive imposition of a sentence within the standard range and impose a sentence consisting of twelve months of community custody.

Exceptional Sentences

Finally, the court may order an “exceptional” sentence that is outside the standard range of confinement or includes conditions not allowed as part of a standard range sentence when either substantial and compelling aggravating or mitigating factors exist. 5.7 percent (1,429) of felony sentences in FY2017 were exceptional sentences.

Exceptional sentences are more likely (60.3 percent) to reduce the term of confinement to below the standard range than to increase it above the range (23.0 percent).

A small number of “within the range” exceptional sentences are ordered each year, typically to require community supervision beyond the amount allowed under the standard range or to require treatment in situations where such treatment may not be required as part of a standard range sentence. 16.8 percent (240) of FY2017 exceptional sentences fell within the standard sentence range.

Exceptional sentences may be appealed by the defense or by the prosecution and defendants have a right to a jury trial on aggravating factors.

- Changes in the rate and number of sentences imposed between FY16 and FY17 are summarized as follows:

+5.9 % Robbery (from 477 to 505)	+3.3 % Drugs (from 6,909 to 7,134)
+4.0 % Property (from 8,583 to 8,924)	+2.1 % Manslaughter (from 96 to 98)
+4.9 % Assaults (from 4,496 to 4,718)	-16.7 % Murder (from 138 to 115)
- In FY17, 9 offenders were sentenced to life in prison as persistent offenders under the “three strikes” provision of RCW 9.94A.030 (37)(a). In addition, 5 sex offenders were sentenced to life in prison under the “two-strike” provision of RCW 9.94A.30 (37)(b). The 14 new persistent offender sentences imposed in FY17 resulted in a decrease of 17.6% from the 17 sentences in FY16.
- The percentage of felony sentences that resulted in a prison sentence increased slightly from 36.8% in FY16 to 37% in FY17.
- The average prison sentence in FY17 was 41 months, up from 40.5 months in FY16. The average jail sentence length in FY17 was unchanged at 3.2 months. Overall, the average sentence length of all felony sentences increased from 16.7 months in FY16 to 17 months in FY17.
- In FY17, the number of sentences imposed for Violations of the Uniform Controlled Substances Act (VUCSA) increased by 3.3% from the previous year. The number of sentences for “dealing” offenses decreased by 2.3% and the number of sentences for “non-dealing” offenses increased by 4.5%.
- The number of First-time Offender Waivers (FTOW) granted slightly increased from 1,595 in FY16 to 1,703 in FY17, a 6.8% increase. Approximately 52.3% of FTOWs were below the standard range minimum, and 47.4% were within the standard range.
- The number of Special Sex Offender Sentencing Alternative (SSOSA) sentences imposed by the court increased from 74 in FY16 to 76 in FY17, a 2.7% increase.

² The numbers of sentences referenced in this report are as of January 9, 2018. These are subject to change as missing sentencing data becomes available.

NOTE 1: Calculations of average sentence length exclude life/death sentences.

NOTE 2: The above categories are those used by the Caseload Forecast Council for analyzing purposes and are not identical to classifications under the Sentencing Reform Act. For example, the sex categories include pornography and prostitution offenses, which are not classified as sex offenses per se under the Sentencing Reform Act.

NOTE 3: The data reported above for the categories of "assault" and "other" are not comparable to reports prior to FY02. In FY02 the crime categories were revised to more closely match those used by the Department of Corrections and the Caseload Forecast Council. A number of crimes previously reported in the category "other" were re-categorized under "assault".

NOTE 4: The category "Sex" is not comparable to reports prior to FY08 because that category now includes offenses in any forecasting category that were committed with sexual motivation, subsequent offenses of Failure to Register as Sex Offenders, and excludes the offenses of First-Time Failure to Register as Sex Offenders.

NOTE 5: Other sentence includes non-confinement sentences such as residential drug offender sentencing alternative.

Table 7. Sentences with a Deadly Weapon Finding Fiscal Year 2017

The table below lists deadly weapon enhancements, by offense and type of weapon, for those sentences that received a deadly weapon enhancement. Deadly weapon enhancements for offenses committed prior to July 24, 1995 do not distinguish firearms from other deadly weapons. Initiative I-159 ("Hard Time for Armed Crime") provides deadly weapon enhancements for any felony offense committed after July 23, 1995. I-159 enhancements are greater for firearms than for other deadly weapons (see RCW 9.94A.533).

*Exceptional sentences include departures above or below the standard range, as well as sentences in which the court orders a term of confinement within the standard range, but under terms of an exceptional sentence adds conditions not allowed as part of the standard range (e.g., treatment).

**Sex offenders who have no prior felony sex convictions may receive a sentence under the Special Sex Offender Sentencing Alternative (SSOSA) if they are not convicted of a serious violent offense with a sexual motivation finding or of Rape 1, Attempted Rape 1, or Rape 2 and have a current offense and criminal history that permits the court to impose a sentence within the standard range of less than eleven years confinement. Under current law, offenders sentenced under this alternative receive a suspended sentence and may receive up to twelve months in jail, community supervision for three years or the length of the suspended sentence (whichever is greater), inpatient or outpatient sex offender treatment, crime-related prohibitions and requirements for affirmative conduct. If the offender violates the conditions of supervision, the original suspended sentence may be imposed.

***Offenders are eligible for the First-time Offender Waiver if the current offense is not a violent offense, sex offense or certain drug offenses, and if the offender has no prior felony convictions. If the First-time Offender Waiver is used, the standard range is waived and the offender may receive up to 90 days in jail, two years of community supervision, crime-related prohibitions and requirements for affirmative conduct. An aggravated departure occurs when an offender with a 0 to 60-day standard range (a Seriousness Level I offense with an offender score of 0) receives a sentence over 60 days (up to 90 days).

****The Standard Range category includes some sentence departures not resulting from the use of the First-time Offender Waiver, SSOSA or an exceptional sentence. These departures often occur as the result of clerical errors.

¹ These data are not comparable to reports prior to the FY97 report. Prior to FY97, criminal history that had "washed out" was not taken into consideration in determining eligibility.

Table 12. Length of Sentence Relative to Standard Range ^{1 2}
Fiscal Year 2017

¹ The "WHERE IN THE RANGE?" (WIR) column in this table displays a statistic based on the sentences of those offenders sentenced within the standard range. The statistic presents the average sentence for these offenders as a number from 0 to 100, where 0 corresponds to a sentence at the bottom of the range and 100 a sentence at the top of the range. Thus an average at the midpoint of the range corresponds to a WIR score of 50 (i.e., 50% of the range).

² All life/death sentences for Aggravated Murder are "within the range." Offenders may also be sentenced to life as "Persistent Offenders" or as part of an exceptional sentence. Life sentences for Persistent Offenders are considered to be within the standard range. Life sentences ordered as part of an exceptional sentence are above the standard range.

EXCEPTIONAL SENTENCES

Under provisions of the Sentencing Reform Act (SRA), every adult felony offense has a presumed range of punishment determined by the seriousness of the offense, by the number and type of other current offenses and by the number and type of prior adult and juvenile offenses. The presumptive range for certain offenses may be increased for weapon usage, for dealing drugs in a school or other protected zone or for certain drug offenses committed in a correctional facility. The presumptive range is decreased by 25 percent if the current offense is an attempt, conspiracy or solicitation to commit a felony. Some alternative sentences are possible under the First-time Offender Waiver (FTOW) for first time offenders, excluding violent, sex or certain drug offenders. In addition, the Special Sex Offender Sentencing Alternative (SSOSA) allows suspended sentences for certain offenders, and the Drug Offender Sentencing Alternative (DOSA) allows for reduced confinement time for eligible offenders.

The SRA presumes that, in most cases, a sentencing judge will impose a sentence within the standard range for the offense. An exceptional sentence is a sentence outside the standard range. (Alternative sentences under FTOW, SSOSA or DOSA are not considered exceptional sentences.) An exceptional sentence is allowed if there are substantial and compelling reasons supported by the record. An aggravated sentence must be based on a factor listed in RCW 9.94A.535 and the defendant has right to a jury trial on the facts and circumstances underlying an aggravating factor. The judge is required to record these reasons in writing. Some exceptional sentences do not result in incarceration outside the standard range, but are used to provide sentence conditions not otherwise permitted (*e.g.*, lengthy community supervision). The prosecution or the defense may appeal exceptional sentences.

The following tables summarize the reasons recorded by sentencing judges when imposing exceptional sentences. Reasons are summarized separately for mitigated sentences, aggravated sentences and sentences within the standard range.

SEX OFFENDER SENTENCING UNDER RCW 9.94A.507

The 2001 Legislature enacted 3ESSB 6151 – The Management of Sex Offenders in the Civil Commitment and Criminal Justice Systems. The new system is often called “determinate plus.” Essentially, any offender who is not a persistent offender, who is sentenced for any one of the offenses enumerated in RCW 9.94A.507 (1)(a)(i) or (ii), or an attempt to commit any of those offenses, or is convicted of any sex offense, except failure to register, and has a prior conviction for a “two-strike” offense under RCW 9.94A.031(36)(b), is to receive an indeterminate sentence. The only exception is for offenders seventeen years old or younger at the time of the offense who are sentenced for Rape of a Child in the First Degree, Rape of a Child in the Second Degree or Child Molestation in the First Degree.

The minimum term of the sentence is to be set in the standard range according to the seriousness level of the offense and the offender score. The minimum term may also constitute an exceptional sentence as provided by RCW 9.94A.535. The maximum term is the statutory maximum sentence for the offense. Offenders sentenced to an indeterminate sentence are eligible for earned release pursuant to RCW 9.94A.728, have the opportunity for sex offender treatment while incarcerated and may be eligible for the Special Sex Offender Sentencing Alternative (SSOSA) as provided in RCW 9.94A.670.

Offenders sentenced under the “determinate plus” scheme fall under the purview of the Indeterminate Sentence Review Board (ISRB) through the maximum term of the sentence. The ISRB periodically reviews “determinate plus” offenders who have served their minimum term and decides whether to release the offender. “Determinate plus” offenders may remain in custody up to their statutory maximum, depending on the decisions of the ISRB. Those released from prison will be supervised by the Department of Corrections and will remain on community custody through the maximum term of the sentence.
