CFC Monthly Monitoring Report

Descriptions:

- **Actual:** The number of clients eligible at any time during the month and are lag adjusted up to 24 months and the most recent two months of data are not shown.
- **Budget Forecast:** Caseload forecast adopted by the Caseload Forecast Council to serve as the basis for the biennial or supplemental budget. The actual budget may incorporate adjustments to this forecast to reflect legislation and policy decisions by the legislature subsequent to the development of the forecast.
- **Current Forecast:** Most recent forecast adopted by the Caseload Forecast Council; may be the same as the Budget Forecast.

Disclaimer of Liability:

Although the Washington State Caseload Forecast Council does all that it can to assure the accuracy of its forecasts and the data on which its forecasts are based, no warranty expressed or implied is made regarding accuracy, adequacy, completeness, legality, reliability, or usefulness of any information contained herein. This disclaimer applies to both isolated and aggregate uses of the information. If you find any errors or omissions, we encourage you to report them to the Caseload Forecast Council.
