JUVENILES

Dispositions

State v. J.W.M., 1 Wn.3d 58 (2023)

Seventeen year old is charged, as auto-decline, with manslaughter 1°, convicted of lesser manslaughter 2°, at remand disposition in juvenile court judge imposes manifest injustice commitment to age 25, finding that need for treatment, criminal history including uncharged and dismissed convictions in addition to prior convictions, showed no regard for property and safety of others based upon current offense and prior offenses, and standard range would be too lenient as respondent previously served time in JRA but continues to reoffend; held: (1) need for treatment is not a basis for a manifest injustice disposition absent determination that lack of treatment would impose a serious and clear danger to society, *State v. B.O.J.*, 194 Wn.2d 314 (2019); (2) court may not consider pending unproven charges absent respondent's admission; (3) court may consider prior original charged offenses reduced in plea bargains where respondent stipulated to probable cause certificate; (4) court may consider other convictions where the offenses took place after the current offense even if not included in criminal history, RCW 13.40.150(3)(i)(vii); (5) court must weigh mitigating factors against the aggravating factors, which court did here; juvenile convicted of a violent offense and found to be armed with a firearm may be committed up to age 25, RCW 13.40.300(2); 9-0.

Matter of Carrasco, 1 Wn.3d 224 (2023)

Defendant, having committed murder at age 17, is sentenced to 93+ years, defense counsel does not present evidence of mitigating qualities of youth, seeks resentencing, <u>State v. Houston-Sconiers</u>, 188 Wash.2d 1 (2017); held: because a defendant sentenced to a lengthy term as a juvenile can seek early release, after serving twenty years, from ISRB, <u>RCW 9.94A.730</u> (2015), he has an adequate remedy and is not entitled to remand for resentencing, <u>State v. Section 3: Juvenile Disposition Guidelines

INTRODUCTION

Juveniles who commit criminal offenses in Washington are subject to the provisions of Chapter 13.40 RCW, the Juvenile Justice Act of 1977 (Act), as amended.

The Act contains guidelines and procedures for the imposition of a presumptive standard range of sanctions commensurate with the juvenile's age, seriousness of the current offense and prior criminal history.

The Act also specifies a number of sentencing alternatives to the standard range which the court may select if deemed appropriate.

A special note of caution is offered to those practitioners who are familiar with the state's adult felony sentencing guidelines. Washington is perhaps unique in that both adult felony sentencing and juvenile court dispositions are structured by statutorily defined sentencing guidelines. However, while similar in many ways to its adult felony guidelines, the juvenile sentencing guidelines in Washington State differ in significant ways. For example:

- Juveniles sentenced to more than 30 days of confinement are sentenced to a range of confinement, with the actual release date set within the range at the discretion of the state Juvenile Rehabilitation Administration (JRA)¹; adults are sentenced to a specific sentence within a specified standard range but may be released early as a result of "earned release time."
- The "seriousness" of a juvenile offense, while generally following the state's adult felony classification, is more differentiated and includes adjustments reflecting recognition of the differences between juvenile and adult social development.
- With the exception of supervision time across dispositions, terms of juvenile dispositions are served consecutively; adult sentences are typically run concurrently.

DETERMINING THE APPROPRIATE COURT OF JURISDICTION

The sentencing guidelines in this manual only apply to cases properly before a juvenile court. Juvenile courts are not separate constitutional courts; rather, they are a statutory division of the superior courts in Washington State.²

¹ In 2013, the Department of Social and Health Service (DSHS) Juvenile Rehabilitation Administration (JRA) was reorganized as the Juvenile Justice and Rehabilitation Administration (JJRA), and then later renamed Juvenile Rehabilitation (JR). In this publication, we will continue to reference the Juvenile Rehabilitation Administration (JRA) consistent with current statutory references. Effective July 1, 2019, JR was transferred to the Department of Children, Youth, and Families.

Section 3: Juvenile Disposition Guidelines

A juvenile court's constitutional jurisdiction to act derives from the superior court's general jurisdiction set out in Art. IV, §6 of the Washington State Constitution. Terminology such as "juvenile court jurisdiction" and "jurisdiction of the juvenile court" do not refer to a juvenile court's constitutional jurisdiction. Instead, terms related to a juvenile court's jurisdiction refer to the statutory procedures and protections provided in cases before the juvenile court.³

Those statutory provisions exclusive to juveniles include a set of sentencing guidelines discussed in this manual. Failure to substantively abide by these statutory provisions violates a juvenile's right to due process, but never deprives the juvenile court of its constitutional authority to act as a division of superior court.⁴

In Washington State, any *juvenile* alleged or found to have committed a criminal offense is subject to the jurisdiction of the juvenile court.⁵ With few exceptions, only a *juvenile* is entitled to the statutory sentencing guidelines exclusive to juveniles. Thus, the initial inquiry for sentencing will focus on determining whether the person is a *juvenile* or otherwise remains subject to the jurisdiction of the juvenile court on a residual basis.

What is a Juvenile for Purposes of Juvenile Court Jurisdiction?

While commonly thought to encompass anyone under 18 years of age, for purposes of juvenile jurisdiction, the term *juvenile* is more complex. The Act defines the term *juvenile*. That legal definition contains two primary components, both of which are required for a person to be a *juvenile* for purposes of juvenile court jurisdiction:

- The person must be under the age of 18; and
- The person must not be subject to adult court proceedings.

Unless both components are present, the person is not a *juvenile* for purposes of juvenile court jurisdiction, and, except for residual juvenile jurisdiction, may not remain in juvenile court. However, a person who is either a *juvenile* or is subject to the residual jurisdiction of the juvenile court is deemed a "*juvenile offender*." A *juvenile offender* must be given a juvenile disposition.

Less Than 18 Years Old

Being less than 18 years of age requires the person remain under age 18 up to and through adjudication of a case in juvenile court. A person loses their status as a juvenile anytime they turn 18 years old regardless of their age at the time they commit an offense. There are however three exceptions that continue juvenile court jurisdiction past age 18 despite the loss of juvenile status.

The first exception requires the juvenile court to issue a written order extending juvenile court jurisdiction past the person's 18th birthday pre-adjudication.⁹

⁹ RCW 13.40.300(3)(a).

The second exception extends juvenile court jurisdiction automatically past age 18 for purposes of imposing or supervising a juvenile court disposition. ¹⁰

The third exception extends juvenile court jurisdiction past age 18 for purposes of disposition after failed "exclusive adult jurisdiction" – a term discussed later in this manual. 11

All three exceptions must be in effect prior to the person turning 18, which is why they create residual jurisdiction in the juvenile court even after a juvenile offender turns age 18.

Not Subject to Adult Court Proceedings

Even if a person is under the age of 18, they may not qualify as a *juvenile* if they are subject to proceedings in adult court either by statutory mandate or judicial decision. There are functionally three ways a person under the age of 18 can be subject to adult court:

1. Certain "License" Offenses if 16 or 17 Years Old

For those who are 16 or 17 years old, there are certain "license" type offenses which require prosecution in adult courts of limited jurisdiction (district and municipal courts). These violations involve any "traffic, fish, boating, or game offense, or traffic or civil infraction" that would, if committed by an adult, be heard in a court of limited jurisdiction. ¹² They are referred to as "license" offenses because they involve activities which require licensing or adult status, and, therefore, anyone violating them should be held to the same standard as any adult properly licensed or otherwise authorized to perform the activity. ¹³

The person must be 16 or 17 years old when the offense is committed, and there is an exception made if the license offense is committed in the same incident as another offense which would properly be before the juvenile court (*e.g.*, Driving while License Suspended and Possession of Cannabis). In that case, both the license offense and the juvenile offense may proceed in juvenile court.

2. Exclusive Adult Jurisdiction if 16 or 17 Years Old ("Automatic Adult")

For those who are 16 or 17 years old, there are certain offenses considered so serious they require prosecution in adult court. Generally, they include any Serious Violent offense, or any Violent offense along with certain criminal history.

The conditions for exclusive adult jurisdiction are contained in RCW 13.04.030(1)(e)(v) and require the person to be 16 or 17 years of age at the time the offense is committed. Exclusive adult jurisdiction requires one or more enumerated offenses and/or conditions, so it is necessary to examine and be aware of the particular offenses and conditions in the statute.¹⁴

¹⁴ Exclusive Adult Jurisdiction: The juvenile must be 16 or 17 at the time of the offense and the offense must be:

⁽¹⁾ A serious violent offense as defined in RCW 9.94A.030;

⁽²⁾ A violent offense as defined in RCW 9.94A.030 and the juvenile has a criminal history consisting of: (I) One or more prior serious violent offenses; (II) two or more prior violent offenses; or (III) three or more of any combination of the following offenses: Any Class A felony, any Class B felony, vehicular assault, or manslaughter in the second degree, all of which must

Because adult court jurisdiction is primarily based on the offense charged, any alteration of the crime outside of one of the statutorily enumerated offenses, either pre or post adjudication, may subject the person charged to the jurisdiction of the juvenile court for further proceedings, including disposition. ¹⁵ This is referred to as failed exclusive adult jurisdiction.

As discussed earlier, there is an exception allowing for residual juvenile jurisdiction for failed exclusive adult jurisdiction where the person turns 18 while pending adult proceedings. ¹⁶ For example, consider a person age 17 pending adult court for Assault in the First Degree turns 18 years old prior to trial but is later found guilty in adult court of the lesser included offense of Assault in the Second Degree, a non-exclusive adult offense. In this example, the case must return to juvenile court for disposition, and, despite the person being over 18, residual juvenile jurisdiction remains to sentence the matter in juvenile court. Once returned, the juvenile court must sentence the individual to the juvenile sentencing guidelines unless a judicial decline hearing determines the case can return to adult court for sentencing. ¹⁷

There is another exception to exclusive adult jurisdiction which allows the parties and the court to agree to send an exclusive adult case from adult court to juvenile court for further proceedings. 18

3. Judicial Decline Hearings

Under certain circumstances, a juvenile court may decide to waive its jurisdiction over a juvenile and have the juvenile remanded to the jurisdiction of the adult superior court for further proceedings. This is commonly referred to as a judicial "decline hearing" authorized by statute. Decline hearings are done in juvenile court while a person is pending juvenile court proceedings. With one exception, judicial decline hearings are discretionary and may only be held in limited circumstances based on a juvenile's age and the crime pending at the time of proceedings. For anyone age 15 or older at the time of proceedings, a decline hearing may only be held if the charge is a Serious Violent offense as defined in RCW 9.94A.030. For anyone age 14 or less at the time of proceedings, a decline hearing may only be held if the charge is Murder in the First or Second Degree. The one exception is in the case of a juvenile any age charged with escape, who is also serving a minimum sentence to age 21, in which case a mandatory decline hearing is required unless waived by the court and parties.

During the decline hearing, the parties present testimony and evidence to the juvenile court. At the end of the hearing the juvenile court decides to either retain juvenile court jurisdiction, or, to remand the individual to adult court for further proceedings, in which case the person is no

longer subject to juvenile court jurisdiction. The court decides the case based on a specific set of factors, often referred to as the eight *Kent* factors. ²³

If the juvenile court decides to remand an individual under age 18 to adult court, the individual loses his or her *juvenile* status for all cases filed thereafter unless the charge remanded to adult court is later reduced or dismissed in adult court.²⁴ This is sometimes referred to as "once declined, always declined."

When Does Juvenile Court Jurisdiction End?

Once it is determined the juvenile court has jurisdiction to impose disposition on a juvenile offender, that jurisdiction will not remain indefinitely. In most instances, a juvenile court's jurisdiction to impose a disposition order ends when a juvenile offender turns 21 years of age.²⁵ For juveniles age 16 or 17 who are adjudicated of Robbery in the First Degree (A++), Drive-By Shooting (A++), or any Violent offense while armed with a firearm, jurisdiction to impose a juvenile disposition order ends when the offender turns 25 years of age.²⁶ However, even in rare instances where the juvenile court loses jurisdiction to impose disposition past age 21 or age 25, the adult superior courts always maintains constitutional jurisdiction to impose a juvenile disposition.²⁷

Once disposition is imposed, there are additional time limits on how long the juvenile court maintains procedural jurisdiction to enforce the disposition order. That depends on both the disposition condition as well as the age of the individual subject to the disposition.

With some exceptions, a juvenile court's procedural jurisdiction to enforce a disposition order against a juvenile offender terminates when the supervision period in the disposition order ends. ²⁸ In no case may the juvenile court extend supervision past an individual's 25th birthday. ²⁹ However, for purposes of enforcing financial obligations such as payment of restitution, a juvenile court maintains jurisdiction for a period of ten years past disposition, or up to the individual's 28th birthday, whichever is less. ³⁰ That period may be extended for an additional 10 years by written order. ³¹

WASHINGTON STATE JUVENILE DISPOSITION GUIDELINES

Title 13 RCW is the Exclusive Authority for Juvenile Dispositions

Chapters 13.04 and 13.40 RCW are the exclusive authority for the adjudication and sentencing of juveniles unless specifically provided in other statutes.³² This means juvenile courts are not allowed to utilize other disposition options or sentences that do not specifically include juveniles. For instance, the ability to compromise a misdemeanor under Chapter 10.22 RCW does not apply to juvenile proceedings.³³ Similarly, unless otherwise stated, enhancements and penalties imposed outside of Title 13 RCW do not apply to juvenile dispositions. Examples include mandatory minimum jail sentences, school zone enhancements, gang enhancements, and fees.

Rarely, a particular consequence outside of Title 13 RCW will specifically state its application to juvenile cases.

More often, application of a particular consequence outside of Title 13 RCW depends on whether the juvenile is deemed "convicted" of an offense. Like adult convictions, typically juvenile adjudications involve a finding by the juvenile court that a juvenile has committed an offense. However, unless otherwise stated, juvenile adjudications are not "convictions" for purposes of sentencing a juvenile outside Title 13 RCW. The sentencing a juvenile outside Title 13 RCW.

Consequences: Local Sanctions vs. Confinement to JRA

In Title 13 RCW there are two general types of consequences for juveniles adjudicated of offenses. The first involves "Local Sanctions" or "LS" for short. Local sanctions are community-based consequences wherein the juvenile remains in the community or is released after a short stay in the local juvenile detention facility. Local sanctions can include one or more of the following: 0-30 days of confinement in detention, 0-12 months of community supervision, or 0-150 hours of community restitution.

The second involves confinement to a Juvenile Rehabilitation Administration facility or "JRA" for short. In this case, the juvenile is confined to the custody of the Department of Children, Youth, and Families (DCYF) to serve more than 30 days of confinement in a facility operated by JRA.³⁷ Confinement in JRA is typically done for a number of weeks within a range ordered by the juvenile court.³⁸ In most instances, JRA determines the number of weeks the juvenile serves within the range ordered and may provide parole services to the juvenile after release.

The 2021 Legislature authorized DCYF to establish a program of electronic home monitoring community-based custody (Community Transition Services) and directed the use of the program when determined that placement is in the best interest of the person and community. To be eligible, the person must have served 60% of his or her minimum term of confinement and no less than 15 weeks of total confinement. In addition, the person must have an earned release date prior his or her 26th

This program is effective six months after DCFY designs and implements a risk assessment tool that will be used to determine eligibility for Community Transition Services (RCW 72.01.412.)

Multiple Juvenile Offenses

As stated earlier, the juvenile sentencing structure differs significantly from the adult system. One primary difference is how sentences for multiple offenses within a single disposition order, as well as across multiple disposition orders are served. There are also rules which limit the total amount of time that may be served among multiple offenses.

If a juvenile is sentenced for two or more offenses in a single disposition order, the disposition terms for each offense run consecutive to one another.³⁹ That includes community supervision, community restitution, and any confinement imposed. For example, a juvenile sentenced for two assault counts is ordered to serve six months of supervision, 16 hours of community restitution, and one day of detention on each count. Those terms run consecutive to one another so the juvenile will have a total of 12 months supervision (6 x 2 = 12 months), 32 hours of community service (16 x 2 = 32 hours), and two days of detention (1 x 2 = 2 days) total. Likewise, a juvenile facing two counts, each of which involves commitment to JRA, will serve those consecutively as well. For example, two counts each of which involves a standard range of 15-36 weeks at JRA will total a minimum of 30 weeks to a maximum of 72 weeks of commitment.

In addition, where multiple offenses each impose less than 30 days of detention, but the aggregate total of all counts exceeds 30 days, the detention may be served at JRA at the discretion of the juvenile court. 40

There are limitations, however. First, the aggregate of all consecutive terms in a single disposition may not exceed 300 percent of the term imposed for the most serious offense. This is often referred to as the "300% rule." Keep in mind the rule does not allow for 300% of the maximum which the court *could* presumptively impose; rather, it presumes a total no greater than three times the term *actually imposed* by the court on the most serious offense. Logically, the 300% rule will only be relevant for those dispositions where there are four or more counts sentenced in a single disposition order. Sentencing three or less offenses will avoid application of the rule altogether.

Second, the aggregate of all consecutive terms of community supervision shall not exceed two years in length or the performance of more than 200 hours of community restitution.⁴²

Third, in very rare cases where multiple offenses are closely related to the same action, the aggregate disposition must not exceed 150 percent of the total imposed for the most serious offense.⁴³ This is often referred to as the "150% rule." In order for the 150% rule to apply, the offenses must either be

committed through a single act or omission, or, through an act or omission which in itself constitutes one of the offenses and is also an element of the other. Because the 150% rule requires the offenses be similar, the fact patterns for application of the 150% rule are rare, but there are a few cases which discuss the rule's application should one encounter a potential issue.⁴⁴

Finally, there is one exception to concurrent sentencing where a juvenile is sentenced across multiple disposition orders. Amongst multiple disposition orders, all terms will remain consecutive with the exception of supervision, which runs concurrent between separate disposition orders.⁴⁵

Disposition Options for Juvenile Adjudications

There are several statutory options for sentencing a juvenile adjudicated of an offense in Title 13. Some cases may be excluded from a particular option based on the type of case, the juvenile's age, or the potential sentence. The juvenile disposition options are as follows:

- 1. Standard Range (RCW 13.40.0357 Option A)
- 2. Deferred Disposition (RCW 13.40.127)
- 3. Manifest Injustice (RCW 13.40.0357 Option D)
- 4. Suspended Disposition (three alternatives):
 - a. Suspended Disposition Alternative (RCW 13.40.0357 Option B)
 - b. Chemical Dependency/Mental Health Disposition Alternative (RCW 13.40.0357 Option C)
 - c. Special Sex Offender Disposition Alternative (RCW 13.40.162)

Each option is explained below beginning with the standard range which should always be calculated first before considering other options.

Standard Range (RCW 13.40.0357 Option A)

The standard range, or "Option A" in RCW 13.40.0357, is the most common disposition option in juvenile court. This is considered the presumptive sentence based on a juvenile's age and type of offense committed. Every juvenile offender is subject to imposition of the standard range, which the court must consider before determining a final disposition. ⁴⁶ Therefore, the standard range should be calculated in every juvenile case regardless of what other disposition options may be available to a juvenile offender. A standard range sentence may not be appealed. ⁴⁷

In most cases, calculation of the standard range is done using a statutory grid in RCW 13.40.0357. The grid takes into account two variables: the current offense category and prior adjudications. An example of the grid found in RCW 13.40.0357 is shown below.

The horizontal axis of the grid is the "prior adjudications" which is determined using the juvenile offender's criminal history. The standard range is found where the vertical and horizontal axes converge for a particular juvenile offender. Depending on where the axes converge, the standard range will consist of one of the two general consequences previously discussed: local sanctions ("LS") or a range of weeks confined to JRA.

Section 3: Juvenile Disposition Guidelines

Current Offense Category

The vertical axis of the grid sets the juvenile disposition category which is based on each current offense for which the juvenile offender is adjudicated. The current offense category must always be determined using the list of offenses in RCW 13.40.0357.

A short example of the list of current offense categories in RCW 13.40.0357 appears below:

The above example shows only a small number of offenses but many more are listed specifically by name in RCW 13.40.0357. The disposition categories run from A++ down to E. In many cases a disposition category will parallel the standard severity for an offense, but not always. For example, while Assault in the Second Degree is a Class B felony, for purposes of juvenile disposition it is a B+ current disposition offense category. Likewise, Vehicular Homicide is a Class A felony, but a B+ current disposition offense category.

A few offenses will be divided by age at the time of commission. For instance, Robbery in the First Degree is an A offense category for anyone who commits that offense at age 15 or under, but an A++ offense category for anyone who commits the same offense at age 16 or 17. Most offenses are listed by specific name, however, in the event the current offense is not listed by name, there is an "other offense" category to include any offense not otherwise listed.

The list in RCW 13.40.0357 contains two different categories for any offense. The first column to the left of the offense is the category for the principal offense. The second column to the right of the offense lists the category for any anticipatory version (attempt, conspiracy, or solicitation) or calculating bail jump from the same. For example, Arson 1 is an A offense category for disposition, but an attempt of the same crime, or a bail jump from that crime, would be a B+ offense category for disposition.

Prior Adjudications

The horizontal axis of the grid is determined using the juvenile's criminal history to calculate the number of prior adjudications. Prior adjudications are those alleged offenses found correct by a court

prior to commission of the current offense being calculated.⁴⁸ In other words, any previous offense for which the juvenile was adjudicated before he or she committed the current offense. Prior diversions do not count as prior adjudications because diversions do not involve a finding of guilt by a court. Offenses committed but not adjudicated prior to commission of the current offense do not count as prior adjudications.

Each prior adjudication is given a numbered "point" score depending on whether it involved a felony. Each prior felony adjudication counts as 1 whole point. However, if the prior adjudication involved a gross misdemeanor or misdemeanor offense, the adjudication only counts as a ¼ of a point (or 0.25 points). Points are added together and rounded down to the nearest full number to obtain the final score for all prior adjudications. So, for example, a person with one prior felony and three prior misdemeanors will have a prior adjudication score of 1 (not 1.75). A person with four prior felony adjudications will have a prior adjudication score of four.

Prior adjudications do not affect the standard range for any current offense that is not a felony. Any current offense that is a misdemeanor or gross misdemeanor will always involve local sanctions regardless of the adjudication score.

Finally, prior adjudications are never counted for purposes of determining standard range for a current offense of either Escape in the First Degree or Escape in the Second Degree. For each of those offenses the disposition offense category is a C, and, instead of the grid, the standard range is calculated using footnote 1 at the end of the offenses listed in RCW 13.40.0357. The calculation is based on the number of previous escapes or attempted escapes and ranges between 28 days and 12 weeks of confinement.

Firearm Enhancements (RCW 13.40.193)

There are four special juvenile enhancements for firearm crimes found in RCW 13.40.193.

The first involves a disposition for Unlawful Possession of a Firearm where the offender is under 18 years old per RCW 9.41.040(2)(a)(v). Disposition for that offense requires a minimum of 10 days confinement.⁴⁹

The second involves disposition for any current felony offense where there is a special allegation under RCW 13.40.196 alleging the juvenile offender is "armed with a firearm" during commission (except certain offenses where possession of a firearm is an element).⁵⁰ In that case there is an additional commitment time period to be served at JRA in addition to other sanctions. The additional commitment period is based on the level of offense: six months for Class A offenses, four months for Class B offenses, and, two months for Class C offenses.

The third involves disposition for any Violent offense committed by a 16-year-old or 17-year-old where there is a special allegation under RCW 13.40.196 alleging the juvenile offender is "armed with a firearm" during commission of the offense (except certain offenses where possession of a firearm is an element). In that case there is an additional commitment time period of 12 months to be served at JRA in addition to other sanctions.⁵¹

Section 3: Juvenile Disposition Guidelines

The last involves disposition for any 16 or 17 year old who: (1) commits Robbery in the First Degree, Drive-By Shooting, Rape of a Child in the First Degree, Burglary in the First Degree, or any Violent offense as defined in RCW 9.94A.030; and (2) was "armed with a firearm" during commission of the offense (special allegation under RCW 13.40.196); and (3) the court finds the juvenile's participation was related to membership in a criminal street gang, or, advanced the benefit, aggrandizement, gain, profit, or other advantage for a criminal street gang. In that case there is an additional commitment of 3 months to be served at JRA in addition to other sanctions. ⁵² Criminal street gang is defined by the enhancement. ⁵³

In addition to the above enhancements, there is a mandatory requirement for anyone found guilty of a firearm offense in RCW 9.41.040 to participate in a qualifying program of counseling, unless the court based on the outcome of a risk assessment that participation is not be appropriate.⁵⁴ A qualifying program of counseling includes aggression replacement training, functional family therapy, or any program applicable to the juvenile firearm offender population identified as evidence-based or research-based and cost-beneficial in the current list prepared by the Washington State Institute for Public Policy.⁵⁵

Motor Vehicle Minimums (RCW 13.40.308)

There are minimum sentencing requirements for certain crimes involving motor vehicle theft (Theft of a Motor Vehicle, Possession of a Stolen Motor Vehicle, and Taking a Motor Vehicle without Owner's Permission). The minimum requirements for disposition of those offenses are set forth in RCW 13.40.308. A summary of minimum sentences is below.

Deferred Disposition (RCW 13.40.127)

Deferred Disposition is an option available to many juveniles. This disposition option in RCW 13.40.127 allows an adjudicated juvenile to defer imposition of sentence and instead be placed on conditions of supervision for up to 12 months. The conditions of supervision can include up to 150 hours of community service but cannot include detention or commitment to JRA. ⁵⁶ However, because deferred disposition is not considered a final juvenile offense disposition or sentence, the mandatory \$100 DNA fee will not

⁵⁶ State v. I.K.C., 160 Wn. App. 660, 669, 248 P.3d 145 (2011).

Section 3: Juvenile Disposition Guidelines

apply for any offense where DNA must be taken.⁵⁷ Likewise, because no detention or commitment time is allowed, the mandatory minimum sentences for vehicle crimes and firearms won't apply to deferred dispositions either.

First, the juvenile offender must qualify to request a deferred disposition. There are a few limitations in the statute requiring the juvenile:

- 1. Is not charged with a Sex or Violent offense;
- 2. Has no prior felony history;
- 3. Has no prior deferred disposition or deferred adjudication; and
- 4. Has no more than one prior adjudication.⁵⁸

Second, the juvenile must move for imposition of the deferred disposition at least 14 days prior to trial unless that time period is shortened for good cause.⁵⁹ This limits use of the deferred disposition to cases where the juvenile has not yet been adjudicated guilty by means of a trial. In addition, the court may not impose a deferred disposition unless the juvenile agrees to it. 60 In all cases where a juvenile is eligible for a deferred disposition, there shall be a strong presumption that the deferred disposition will be granted.

Third, the juvenile must either stipulate to admission of the law enforcement reports or plead guilty to the offenses. The adjudication is limited to a finding of guilt based on either stipulation to the reports or the plea of guilt.61

Fourth, should the juvenile fail to comply with the terms of the deferred disposition, the court may either treat the violation as a probation violation, or, in the alternative, may revoke the deferred disposition and impose another disposition option.⁶²

Finally, full payment of restitution is generally required in order for the court to dismiss and vacate the case at a later date. There is one exception, however, where the court finds the juvenile made a "good faith" effort to pay restitution, in which case the court may dismiss, vacate the conviction, and impose a new restitution order for any unpaid amount which remains enforceable the same as any other order issued under RCW 7.80.130.63

Upon completion of the deferred disposition conditions, the conviction is vacated and the case is dismissed (except for a charge of Animal Cruelty in the First Degree, which cannot be vacated).⁶⁴ If the conditions are not satisfied by the end of supervision, the court can continue the case an additional 12 months for good cause; however, at any time the court finds the conditions have not been satisfied, the court can revoke the deferred disposition and impose a disposition order under one of the other sentencing options.65

⁵⁷ See, State v. M.C., 148 Wn. App. 968, 972, 201 P.3d 413 (2009). ⁵⁸ RCW 13.40.127(1). ⁵⁹ RCW 13.40.127(2). 60 State v. Mohamoud, 159 Wn.App. 753, 765, 246 P.3d 849 (2011). 61 RCW 13.40.127(3). 62 RCW 13.40.127(7).

⁶³ RCW 13.40.127(9)(b).

⁶⁵ RCW 13.40.127(9)(c).

In addition to the benefit of having the case dismissed and vacated, so long as restitution is paid or not otherwise required, the dismissed deferred disposition is subject to sealing at the time the case is dismissed and vacated.⁶⁶ This makes deferred disposition an attractive option for many juveniles.

Manifest Injustice (RCW 13.40.0357 Option D)

Manifest Injustice is a disposition outside of the standard range. To impose a manifest injustice disposition, the court must first find the standard range would be *manifestly unjust* either because a standard range sentence would be too excessive or too lenient in light of various factors.⁶⁷

A manifest injustice sentence can only be imposed where the court finds by *clear and convincing evidence*⁶⁸ the standard range manifestly unjust.⁶⁹ In this case "clear and convincing evidence" is equivalent to "beyond a reasonable doubt."⁷⁰ The court must support the finding with circumstances applicable to the juvenile.

There is a list of statutory aggravating and mitigating circumstances set out in RCW 13.40.150(3). In addition to the statutory factors, a manifest injustice can be based on any additional "non-statutory" factors peculiar to the juvenile and any pre-sentence report.⁷¹ Because the court must provide adequate findings, a manifest injustice sentence may be appealed.⁷²

A manifest injustice sentence must be determinate, meaning the court sets forth the terms of the sentence. Where a manifest injustice disposition involves local sanctions, the court sets the terms of confinement less than 30 days as well as any terms of community supervision. Likewise, where the manifest injustice would impose a term of confinement greater than 30 days on any offense, the court may set a determinate range of confinement to JRA, the minimum limited only by the security guidelines set out in RCW 13.40.030 (which limits the court to a minimum based on the percentage of the maximum time).⁷³

This means a judge may sentence a juvenile to a range where both the maximum and minimum are the same. ⁷⁴ Where the maximum and minimum are not the same, then the minimum can be any number of weeks so long as the minimum is not lower than that allowed by computation under the security guidelines in RCW 13.40.030. ⁷⁵

A manifest injustice can provide authority for a court to supervise, detain, or commit a juvenile up to age 21.⁷⁶ However, regardless of that authority, the juvenile may not be detained or committed for a period that is longer than that which an adult would receive for the same offense.⁷⁷

Section 3: Juvenile Disposition Guidelines

Suspended Disposition Alternatives

There are three "alternative" dispositions which allow a court to impose a sentence, and then suspend that sentence in favor of a community-based local sanctions disposition. These three alternatives are based on compliance with appropriate treatment goals. Provided the juvenile maintains compliance, the suspended sentence is not served. However, should the offender violate the community-based disposition, the court has the option of revoking the suspended disposition in which case the original sentence goes into effect. Other than the three alternatives mentioned, the court has no authority to suspend imposition of a juvenile sentence.⁷⁸

1. Suspended Disposition Alternative (Option B)

The Suspended Disposition Alternative is a treatment-based suspended sentence set forth under "Option B" of RCW 13.40.0357. The offender must be subject to a standard range disposition involving confinement by JRA and the court must find the offender and community would benefit from the use of a suspended disposition. In this case, the court may impose the standard range and suspend execution of the disposition on condition the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be research-based best practice programs.

These programs must qualify as either: a) Programs approved by the Washington State Institute for Public Policy or the Joint Legislative Audit and Review Committee; or b) In the case of chemical dependency treatment, evidence-based or research-based best practice programs. Note: These programs will not be available in every county.

If the offender fails to comply with the suspended disposition condition(s), the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.

An offender is ineligible for the Suspended Disposition Alternative if any of the following apply.

- 1. The offender committed a Category A+ or A++ offense.
- 2. The offender is 14 years or older and committed any of the following offenses:
 - a. A Category A offense (completed and anticipatory);
 - b. Manslaughter in the First Degree;
 - c. Assault in the Second Degree;
 - d. Extortion in the First Degree;
 - e. Kidnapping in the Second Degree;
 - f. Drive-By Shooting;
 - g. Vehicular Homicide;
 - h. Hit and Run Death:
 - i. Manslaughter in the Second Degree; or,

⁷⁸ RCW 13.40.160(10); State v. Bacon, Wn.2d , ,415 P.3d 207 (2018).

- j. Controlled Substance under RCW 69.50.401(2)(a) or (b), when the offense includes infliction of bodily harm upon another or when armed with a deadly weapon.
- 3. The offender is ordered to serve a disposition for a firearm violation under RCW 13.40.193.
- 4. The offender committed a Sex Offense as defined in RCW 9.94A.030.
- 5. The offender has a prior Option B disposition.

2. Chemical Dependency/Mental Health Disposition Alternative (Option C)

The Chemical Dependency/Mental Health Disposition Alternative (CDHMDA) is a substance abuse, mental health and co-occurring disorder treatment-based suspended sentence set forth under "Option C" of RCW 13.40.0357, as well as RCW 13.40.165, which contains most of the requirements for this suspended disposition alternative.

The court must consider eligibility for CDMHDA whenever the offender is subject to a standard range disposition of either local sanctions or 15-36 weeks of confinement and has not committed a Category B++ or B+ offense⁷⁹. Provided the court finds the offender is chemically dependent, has mental health issues or has a co-occurring disorder, and is amenable to treatment, the court may either impose a disposition within the standard range or, where appropriate, impose a manifest injustice sentence (up to 52 weeks or as otherwise limited by that which an adult could receive), and thereafter suspend that disposition and impose a community-based disposition including up to 12 months of community supervision, up to 150 hours of community service, up to 30 days of detention, and payment of restitution. As a condition of supervision, the court must require the offender undergo available inpatient/outpatient treatment. The court shall only order inpatient treatment if a funded bed is available.

If the inpatient treatment exceeds 90 days, the court shall hold a review hearing every 30 days beyond the initial 90 days. The treatment provider must submit monthly progress reports and the court may schedule treatment review hearings. The suspension may be revoked, and the disposition executed (with credit for confinement time served on the same offense) for violating conditions or failing to make satisfactory progress in treatment.

A CDMHDA disposition is not appealable.⁸⁰

Note there are statutory restrictions on the use of statements made during the course of a mental health or chemical dependency screening or assessment.⁸¹ Qualified statements are inadmissible against the juvenile for the purpose of guilt.⁸²

3. Special Sex Offender Disposition Alternative (RCW 13.40.162 SSODA)

 ⁷⁹ Eligibility for the Chemical Dependency/Mental Health Disposition Alternative within RCW 13.40.0357 was amended by the 2018
 Legislature in E2SSB 6160; however, RCW 13.40.165 was not amended to include this statutory change.

Section 3: Juvenile Disposition Guidelines

The Special Sex Offender Disposition Alternative, a.k.a. "SSODA", is primarily a sexual deviancy treatment based suspended sentence set forth in RCW 13.40.162.

The offender must have committed a sex offense, other than a sex offense that is also a Serious Violent offense as defined in RCW 9.94A.030 and must have no history of sex offense(s); or the offender is found to have committed Assault in the Fourth Degree with sexual motivation and the offender has no history of a prior sex offense. The court may order an examination to determine whether the offender is amenable to treatment. If, following such an examination, the court determines the offender and the community would benefit from the use of the SSODA, and after consideration of the victim's opinion on whether a SSODA should be imposed, the court may either impose a determinate disposition within the standard range, ⁸³ or, in the alternative, impose a manifest injustice and, thereafter, suspend execution of the disposition and place the offender on community supervision for at least two years.

The court may impose conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender:

- Devote time to specific education, employment, or occupation;
- Undergo available outpatient sex offender treatment for up to two years, or inpatient treatment sex offender treatment not to exceed the standard range of confinement for that offense;
- Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change of address, educational program or employment;
- Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider (Prior approval by the court is required for any change);
- Report as directed to the court and a probation counselor;
- Pay all court-ordered legal financial obligations, perform community restitution, or any combination thereof;
- Make restitution to the victim for counseling costs reasonably related to the offense;
- Comply with the conditions of any court-ordered probation bond; or

The court shall order that the offender may not attend the public or approved private elementary, middle or high school attended by the victim or the victim's siblings.

A disposition entered under the SSODA option may not be appealed.⁸⁴

40

Imposition of the standard range in a SSODA must be a determinate number within the range; not the range itself. *State v. Linssen*,

- (2) It is the intent of the legislature that a system capable of having primary responsibility for, being accountable for, and responding to the needs of youthful offenders and their victims, as defined by this chapter, be established. It is the further intent of the legislature that youth, in turn, be held accountable for their offenses and that communities, families, and the juvenile courts carry out their functions consistent with this intent. To effectuate these policies, the legislature declares the following to be equally important purposes of this chapter:
 - (a) Protect the citizenry from criminal behavior;
- (b) Provide for determining whether accused juveniles have committed offenses as defined by this chapter;
 - (c) Make the juvenile offender accountable for his or her criminal behavior;
- (d) Provide for punishment commensurate with the age, crime, and criminal history of the juvenile offender;
 - (e) Provide due process for juveniles alleged to have committed an offense;
 - (f) Provide for the rehabilitation and reintegration of juvenile offenders;
 - (g) Provide necessary treatment, supervision, and custody for juvenile offenders;
- (h) Provide for the handling of juvenile offenders by communities whenever consistent with public safety;
 - (i) Provide for restitution to victims of crime;
- (j) Develop effective standards and goals for the operation, funding, and evaluation of all components of the juvenile justice system and related services at the state and local levels;
- (k) Provide for a clear policy to determine what types of offenders shall receive punishment, treatment, or both, and to determine the jurisdictional limitations of the courts, institutions, and community services;
- (l) Provide opportunities for victim participation in juvenile justice process, including court hearings on juvenile offender matters, and ensure that Article I, section 35 of the Washington state Constitution, the victim bill of rights, is fully observed; and
- (m) Encourage the parents, guardian, or custodian of the juvenile to actively participate in the juvenile justice process.

13.40.020 Definitions. (Effective until May 1, 2024.)

For the purposes of this chapter:

- (1) "Assessment" means an individualized examination of a child to determine the child's psychosocial needs and problems, including the type and extent of any mental health, substance abuse, or co-occurring mental health and substance abuse disorders, and recommendations for treatment. "Assessment" includes, but is not limited to, drug and alcohol evaluations, psychological and psychiatric evaluations, records review, clinical interview, and administration of a formal test or instrument;
- (2) "Community-based rehabilitation" means one or more of the following: Employment; attendance of information classes; literacy classes; counseling, outpatient substance abuse treatment programs, outpatient mental health programs, anger management classes, education or outpatient treatment programs to prevent animal cruelty, or other services including, when appropriate, restorative justice programs; or attendance at school or other educational programs appropriate for the juvenile as determined by the school district. Placement in community-based rehabilitation programs is subject to available funds;
- (3) "Community-based sanctions" may include community restitution not to exceed 150 hours of community restitution;
- (4) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender as punishment for committing an offense. Community restitution may be performed through public or private organizations or through work crews;
- (5) "Community supervision" means an order of disposition by the court of an adjudicated youth not committed to the department or an order granting a deferred disposition. A community supervision order for a single offense may be for a period of up to two years for a sex offense as defined by RCW 9.94A.030 and up to one year for other offenses. As a mandatory condition of any term of community supervision, the court shall order the juvenile to refrain from committing new offenses. As a mandatory condition of community supervision, the court shall order the juvenile to comply with the mandatory school attendance provisions of chapter 28A.225 RCW and to inform the school of the existence of this requirement. Community supervision is an individualized program comprised of one or more of the following:
 - (a) Community-based sanctions;
 - (b) Community-based rehabilitation;
 - (c) Monitoring and reporting requirements;
 - (d) Posting of a probation bond;
- (e) Residential treatment, where substance abuse, mental health, and/or co-occurring disorders have been identified in an assessment by a qualified mental health professional, psychologist, psychiatrist, co-occurring disorder specialist, or substance use disorder professional and a funded bed is available. If a child agrees to voluntary placement in a state-funded long-term evaluation and treatment facility, the case must follow the existing placement procedure including consideration of less restrictive treatment options and medical necessity.
 - (i) A court may order residential treatment after consideration and findings regarding whether:
 - (A) The referral is necessary to rehabilitate the child;
 - (B) The referral is necessary to protect the public or the child;
 - (C) The referral is in the child's best interest;
- (D) The child has been given the opportunity to engage in less restrictive treatment and has been unable or unwilling to comply; and

- (E) Inpatient treatment is the least restrictive action consistent with the child's needs and circumstances.
- (ii) In any case where a court orders a child to inpatient treatment under this section, the court must hold a review hearing no later than 60 days after the youth begins inpatient treatment, and every 30 days thereafter, as long as the youth is in inpatient treatment;
- (6) "Confinement" means physical custody by the department of children, youth, and families in a facility operated by or pursuant to a contract with the state, or physical custody in a detention facility operated by or pursuant to a contract with any county. The county may operate or contract with vendors to operate county detention facilities. The department may operate or contract to operate detention facilities for juveniles committed to the department. Pretrial confinement or confinement of less than 31 days imposed as part of a disposition or modification order may be served consecutively or intermittently, in the discretion of the court;
- (7) "Court," when used without further qualification, means the juvenile court judge(s) or commissioner(s);
- (8) "Criminal history" includes all criminal complaints against the respondent for which, prior to the commission of a current offense:
- (a) The allegations were found correct by a court. If a respondent is convicted of two or more charges arising out of the same course of conduct, only the highest charge from among these shall count as an offense for the purposes of this chapter; or
- (b) The criminal complaint was diverted by a prosecutor pursuant to the provisions of this chapter on agreement of the respondent and after an advisement to the respondent that the criminal complaint would be considered as part of the respondent's criminal history. A successfully completed deferred adjudication that was entered before July 1, 1998, or a deferred disposition shall not be considered part of the respondent's criminal history;

Prior Adjudications

NOTE: References in the grid to days or weeks mean periods of confinement. "LS" means "local sanctions" as defined in RCW 13.40.020.

- (1) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.
- (2) The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.
- (3) The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.
 - (4) RCW 13.40.180 applies if the offender is being sentenced for more than one offense.
- (5) A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

OR OPTION B SUSPENDED DISPOSITION ALTERNATIVE

- (1) If the offender is subject to a standard range disposition involving confinement by the department, the court may impose the standard range and suspend the disposition on condition that the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be either research-based best practice programs as identified by the Washington state institute for public policy or the joint legislative audit and review committee, or for chemical dependency treatment programs or services, they must be evidence-based or research-based best practice programs. For the purposes of this subsection:
- (a) "Evidence-based" means a program or practice that has had multiple site random controlled trials across heterogeneous populations demonstrating that the program or practice is effective for the population; and
- (b) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.
- (2) If the offender fails to comply with the suspended disposition, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.
- (3) An offender is ineligible for the suspended disposition option under this section if the offender:
 - (a) Is adjudicated of an A+ or A++ offense;
 - (b) Is fourteen years of age or older and is adjudicated of one or more of the following offenses:
 - (i) A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;
 - (ii) Manslaughter in the first degree (RCW 9A.32.060);
- (iii) Assault in the second degree (RCW <u>9A.36.021</u>), extortion in the first degree (RCW <u>9A.56.120</u>), kidnapping in the second degree (RCW <u>9A.40.030</u>), drive-by shooting (RCW <u>9A.36.045</u>), vehicular homicide (RCW <u>46.61.520</u>), hit and run death (RCW <u>46.52.020</u>(4)(a)), or manslaughter 2 (RCW <u>9A.32.070</u>); or
- (iv) Violation of the uniform controlled substances act (RCW 69.50.401(2) (a) and (b)), when the offense includes infliction of bodily harm upon another or when during the commission or immediate withdrawal from the offense the respondent was armed with a deadly weapon;
 - (c) Is ordered to serve a disposition for a firearm violation under RCW 13.40.193;
 - (d) Is adjudicated of a sex offense as defined in RCW 9.94A.030; or
 - (e) Has a prior option B disposition.

OR OPTION C

CHEMICAL DEPENDENCY/MENTAL HEALTH DISPOSITION ALTERNATIVE

If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed a B++ or B+ offense, the court may impose a disposition under RCW 13.40.160(4) and 13.40.165.

OR OPTION D MANIFEST INJUSTICE

If the court determines that a disposition under option A, B, or C would effectuate a manifest injustice, the court shall impose a disposition outside the standard range under RCW 13.40.160(2).

To accomplish this evaluation, the Washington state institute for public policy shall conduct a study of the sentencing revisions. The study shall: (1) Be conducted starting January 1, 2001; (2) examine whether the revisions have affected the rate of initial offense commission and recidivism; (3) determine the impacts of the revisions by age, race, and gender impacts of the revisions; (4) compare the utilization and effectiveness of sentencing alternatives and manifest injustice determinations before and after the revisions; and (5) examine the impact and effectiveness of changes made in the exclusive original jurisdiction of juvenile court over juvenile offenders.

The institute shall report the results of the study to the governor and legislature not later than July 1, 2002." [1997 c 338 § 59.]

- (b) Without a court order, by a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances. Admission to, and continued custody in, a court detention facility shall be governed by subsection (2) of this section; or
 - (c) Pursuant to a court order that the juvenile be held as a material witness; or
- (d) Where the secretary or the secretary's designee has suspended the parole of a juvenile offender.
 - (2) A juvenile may not be held in detention unless there is probable cause to believe that:
 - (a) The juvenile has committed an offense or has violated the terms of a disposition order; and
 - (i) The juvenile will likely fail to appear for further proceedings; or
 - (ii) Detention is required to protect the juvenile from himself or herself; or
 - (iii) The juvenile is a threat to community safety; or
- (iv) The juvenile will intimidate witnesses or otherwise unlawfully interfere with the administration of justice; or
 - (v) The juvenile has committed a crime while another case was pending; or
 - (b) The juvenile is a fugitive from justice; or
 - (c) The juvenile's parole has been suspended or modified; or
 - (d) The juvenile is a material witness.
- (3) Notwithstanding subsection (2) of this section, and within available funds, a juvenile who has been found guilty of one of the following offenses shall be detained pending disposition: Rape in the first or second degree (RCW <u>9A.44.040</u> and <u>9A.44.050</u>); or rape of a child in the first degree (RCW <u>9A.44.073</u>).
- (4) Upon a finding that members of the community have threatened the health of a juvenile taken into custody, at the juvenile's request the court may order continued detention pending further order of the court.
- (5) Except as provided in RCW <u>9.41.280</u>, a juvenile detained under this section may be released upon posting a probation bond set by the court. The juvenile's parent or guardian may sign for the probation bond. A court authorizing such a release shall issue an order containing a statement of conditions imposed upon the juvenile and shall set the date of his or her next court appearance. The court shall advise the juvenile of any conditions specified in the order and may at any time amend such an order in order to impose additional or different conditions of release upon the juvenile or to return the juvenile to custody for failing to conform to the conditions imposed. In addition to requiring the juvenile to appear at the next court date, the court may condition the probation bond on the juvenile's compliance with conditions of release. The juvenile's parent or guardian may notify the court that the juvenile has failed to conform to the conditions of release or the provisions in the probation bond. If

the parent notifies the court of the juvenile's failure to comply with the probation bond, the court shall notify the surety. As provided in the terms of the bond, the surety shall provide notice to the court of the offender's noncompliance. A juvenile may be released only to a responsible adult or the department of children, youth, and families. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping.

13.40.042 Detention of juvenile suffering from mental disorder or substance abuse disorder.

- (1) When a police officer has reasonable cause to believe that a juvenile has committed acts constituting a nonfelony crime that is not a serious offense as identified in RCW 10.77.092, and the officer believes that the juvenile suffers from a mental disorder, and the local prosecutor has entered into an agreement with law enforcement regarding the detention of juveniles who may have a mental disorder or may be suffering from chemical dependency, the arresting officer, instead of taking the juvenile to the local juvenile detention facility, may take the juvenile to:
- (a) An evaluation and treatment facility as defined in RCW <u>71.34.020</u> if the juvenile suffers from a mental disorder and the facility has been identified as an alternative location by agreement of the prosecutor, law enforcement, and the mental health provider;
 - (b) A facility or program identified by agreement of the prosecutor and law enforcement; or
- (c) A location already identified and in use by law enforcement for the purpose of a behavioral health diversion.
- (2) For the purposes of this section, an "alternative location" means a facility or program that has the capacity to evaluate a youth and, if determined to be appropriate, develop a behavioral health intervention plan and initiate treatment.
- (3) If a juvenile is taken to any location described in subsection (1)(a) or (b) of this section, the juvenile may be held for up to twelve hours and must be examined by a mental health or substance use disorder professional within three hours of arrival.
- (4) The authority provided pursuant to this section is in addition to existing authority under RCW 10.31.110 and * 10.31.120.

```
*Reviser's note: RCW <u>10.31.120</u> expired July 31, 2019, pursuant to <u>2014 c 128 § 6.</u>
```

Finding—2014 c 128: "The legislature finds that the large number of individuals involved in the juvenile justice and criminal justice systems with substance abuse challenges is of significant concern. Access to effective treatment is critical to the successful treatment of individuals in the early stages of their contact with the juvenile justice and criminal justice systems. Such access may prevent further involvement in the systems. The effective use of substance abuse treatment options can result not only in significant cost savings for the juvenile justice and criminal justice systems, but can benefit the lives of individuals who face substance abuse challenges." [2014 c 128 § 1.]

Finding—2013 c 179: "The legislature finds that the large number of youth involved in the juvenile justice system with mental health challenges is of significant concern. Access to effective treatment is critical to

the successful treatment of youth in the early stages of their contact with the juvenile justice system. Such access may prevent further involvement in the system after an initial contact or assist a youth in avoiding any further contact with the juvenile justice system altogether. There is growing evidence that mental health diversion strategies, in particular, are effective in connecting youth with needed treatment and preventing additional offending behaviors. These strategies allow a continuum of opportunities for connecting youth who may be facing a mental illness or disorder to community mental health services at multiple decision points, such as law enforcement diversion, prosecutor diversion, court-based diversion, and court disposition. The effective use of these strategies can result not only in significant cost savings for the juvenile justice system, but can create the benefit of improved lives of the youth who face mental health challenges and barriers."

13.40.045 Escapees—Arrest warrants.

The secretary or the secretary's designee shall issue arrest warrants for juveniles who escape from department residential custody. The secretary or the secretary's designee may issue arrest warrants for juveniles who abscond from parole supervision or fail to meet conditions of parole. These arrest warrants shall authorize any law enforcement, probation and parole, or peace officer of this state, or any other state where the juvenile is located, to arrest the juvenile and to place the juvenile in physical custody pending the juvenile's return to confinement in a state juvenile rehabilitation facility.

- (1) When a juvenile taken into custody is held in detention:
- (a) An information, a community supervision modification or termination of diversion petition, or a parole modification petition shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the juvenile shall be released; and
- (b) A detention hearing, a community supervision modification or termination of diversion petition, or a parole modification petition shall be held within seventy-two hours, Saturdays, Sundays, and holidays excluded, from the time of filing the information or petition, to determine whether continued detention is necessary under RCW 13.40.040.

- (3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified in this chapter.
- (4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under RCW <u>13.40.080</u>. If the case is not properly before the court the juvenile shall be ordered released.
- (5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a juvenile shall at the detention hearing be ordered released on the juvenile's personal

recognizance pending further hearing unless the court finds detention is necessary under RCW 13.40.040.

- (6) If detention is not necessary under RCW <u>13.40.040</u>, the court shall impose the most appropriate of the following conditions or, if necessary, any combination of the following conditions:

 - (e) Require that the juvenile return to detention during specified hours; or
- (f) Require the juvenile to post a probation bond set by the court under terms and conditions as provided in $*RCW ext{ } ext{13.40.040}(4)$.
 - (7) A juvenile may be released only to a responsible adult or the department.
- (8) If the parent, guardian, or custodian of the juvenile in detention is available, the court shall consult with them prior to a determination to further detain or release the juvenile or treat the case as a diversion case under RCW 13.40.080.
- (9) A person notified under this section who fails without reasonable cause to appear and abide by the order of the court may be proceeded against as for contempt of court. In determining whether a parent, guardian, or custodian had reasonable cause not to appear, the court may consider all factors relevant to the person's ability to appear as summoned.

13.40.054 Probation bond or collateral—Modification or revocation of probation bond.

- (1) As provided in this chapter, the court may order a juvenile to post a probation bond as defined in RCW 13.40.020 or to deposit cash or post other collateral in lieu of a probation bond, to enhance public safety, increase the likelihood that a respondent will appear as required to respond to charges, and increase compliance with community supervision imposed under various alternative disposition options. The parents or guardians of the juvenile may sign for a probation bond on behalf of the juvenile or deposit cash or other collateral in lieu of a bond if approved by the court.
- (2) A parent or guardian who has signed for a probation bond, deposited cash, or posted other collateral on behalf of a juvenile has the right to notify the court if the juvenile violates any of the terms and conditions of the bond. The parent or guardian who signed for a probation bond may move the court to modify the terms of the bond or revoke the bond without penalty to the surety or parent. The court shall notify the surety if a parent or guardian notifies the court that the juvenile has violated conditions of the probation bond and has requested modification or revocation of the bond. At a hearing on the motion, the court may consider the nature and seriousness of the violation or violations and may either keep the bond in effect, modify the terms of the bond with the consent of the parent or guardian and surety, or revoke the bond. If the court revokes the bond the court may require full payment of the face amount of the bond. In the alternative, the court may revoke the bond and impose a partial payment for less than the full amount of the bond or may revoke the bond without imposing

any penalty. In reaching its decision, the court may consider the timeliness of the parent's or guardian's notification to the court and the efforts of the parent and surety to monitor the offender's compliance with conditions of the bond and release. A surety shall have the same obligations and rights as provided sureties in adult criminal cases. Rules of forfeiture and revocation of bonds issued in adult criminal cases shall apply to forfeiture and revocation of probation bonds issued under this chapter except as specifically provided in this subsection.

[199<u>5 c 395 § 1.</u>]

13.40.058 Fines, administrative fees, costs, and surcharges prohibited.

No fine, administrative fee, cost, or surcharge may be imposed or collected by the court or any agent of the court against any juvenile or a juvenile's parent or guardian, or other person having custody of the juvenile, in connection with any juvenile offender proceeding including, but not limited to, fees for diversion, DNA sampling, or victims' penalty assessments.

13.40.060 Jurisdiction of actions—Transfer of case and records, when—Change in venue, grounds.

- (1) All actions under this chapter shall be commenced and tried in the county where any element of the offense was committed except as otherwise specially provided by statute. In cases in which diversion is provided by statute, venue is in the county in which the juvenile resides or in the county in which any element of the offense was committed.
- (2)(a) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when there is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; and
- (b) A court may transfer a proceeding to another juvenile court following disposition for the purposes of supervision and enforcement of the disposition order.
 - (3) If the court orders a transfer of the proceeding pursuant to subsection (2)(b) of this section:
- (a) The case and copies of only those legal and social documents pertaining thereto shall be transferred to the county in which the juvenile resides, without regard to whether or not his or her custodial parent resides there, for supervision and enforcement of the disposition order.
- (b) If any restitution is yet to be determined, the originating court shall transfer the case to the new county with the exception of the restitution. Venue over restitution shall be retained by the originating court for purposes of establishing a restitution order. Once restitution is determined, the originating county shall then transfer venue over modification and enforcement of the restitution to the new county.
- (c) The court of the receiving county may modify and enforce the disposition order, including restitution.
- (d) The clerk of the originating county shall maintain the account receivable in the judicial information system and all payments shall be made to the clerk of the originating county.

- (e) Any collection of the offender legal financial obligation shall be managed by the juvenile probation department of the new county while the offender is under juvenile probation supervision, or by the clerk of the original county at the conclusion of supervision by juvenile probation. The probation department of the new county shall notify the clerk of the originating county when they end supervision of the offender.
- (f) In cases where a civil judgment has already been established, venue may not be transferred to another county.

- 13.40.070 Complaints—Screening—Filing information—Diversion—Modification of community supervision—Notice to parent or guardian—Probation counselor acting for prosecutor—Referral to community-based, restorative justice, mediation, or reconciliation programs. (*Effective until January 1, 2024*.)
- (1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:
 - (a) The alleged facts bring the case within the jurisdiction of the court; and
- (b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.
- (2) If the identical alleged acts constitute an offense under both the law of this state and an ordinance of any city or county of this state, state law shall govern the prosecutor's screening and charging decision for both filed and diverted cases.
- (3) If the requirements of subsection (1)(a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (5), (6), and (8) of this section. If the prosecutor finds that the requirements of subsection (1)(a) and (b) of this section are not met, the prosecutor shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.
- (4) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.
- (5) The prosecutor shall file an information with the juvenile court if (a) an alleged offender is accused of an offense that is defined as a sex offense or violent offense under RCW <u>9.94A.030</u>, other than assault in the second degree or robbery in the second degree; or (b) an alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion.
- (6) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense is the offender's first offense or violation. If the alleged offender is charged with a related offense that may be filed under subsections (5) and (8) of this section, a case under this subsection may also be filed.
 - (7) Where a case is legally sufficient to charge an alleged offender with:

- (a) Either prostitution or prostitution loitering and the alleged offense is the offender's first prostitution or prostitution loitering offense, the prosecutor shall divert the case;
- (b) Voyeurism in the second degree, the offender is under seventeen years of age, and the alleged offense is the offender's first voyeurism in the second degree offense, the prosecutor shall divert the case, unless the offender has received two diversions for any offense in the previous two years;
- (c) Minor selling depictions of himself or herself engaged in sexually explicit conduct under RCW <u>9.68A.053(5)</u> and the alleged offense is the offender's first violation of RCW <u>9.68A.053(5)</u>, the prosecutor shall divert the case; or
- (d) A distribution, transfer, dissemination, or exchange of sexually explicit images of other minors thirteen years of age or older offense as provided in RCW <u>9.68A.053(1)</u> and the alleged offense is the offender's first violation of RCW <u>9.68A.053(1)</u>, the prosecutor shall divert the case.
- (8) Where a case is legally sufficient and falls into neither subsection (5) nor (6) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor may be guided by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.
- (9) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversion interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile. Where a case involves victims of crimes against persons or victims whose property has not been recovered at the time a juvenile is referred to a diversion unit, the victim shall be notified of the referral and informed how to contact the unit.
- (10) The responsibilities of the prosecutor under subsections (1) through (9) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.
- (11) The prosecutor, juvenile court probation counselor, or diversion unit may, in exercising their authority under this section or RCW 13.40.080, refer juveniles to community-based programs, restorative justice programs, mediation, or victim offender reconciliation programs. Such mediation or victim offender reconciliation programs shall be voluntary for victims.
- (12) Prosecutors and juvenile courts are encouraged to engage with and partner with community-based programs to expand, improve, and increase options to divert youth from formal processing in juvenile court. Nothing in this chapter should be read to limit partnership with community-based programs to create diversion opportunities for juveniles.

Such mediation or victim offender reconciliation programs shall be voluntary for victims.
- (12) Prosecutors and juvenile courts are encouraged to engage with and partner with community-based programs to expand, improve, and increase options to divert youth from formal processing in juvenile court. Nothing in this chapter should be read to limit partnership with community-based programs to create diversion opportunities for juveniles.

13.40.077 Recommended prosecuting standards for charging and plea dispositions.

RECOMMENDED PROSECUTING STANDARDS FOR CHARGING AND PLEA DISPOSITIONS

INTRODUCTION: These standards are intended solely for the guidance of prosecutors in the state of Washington. They are not intended to, do not, and may not be relied upon to create a right or benefit, substantive or procedural, enforceable at law by a party in litigation with the state.

Evidentiary sufficiency.

(1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question, or would result in decreased respect for the law. The decision not to prosecute or divert shall not be influenced by the race, gender, religion, or creed of the suspect.

GUIDELINES/COMMENTARY:

Examples

The following are examples of reasons not to prosecute which could satisfy the standard.

- (a) Contrary to Legislative Intent It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.
- (b) Antiquated Statute It may be proper to decline to charge where the statute in question is antiquated in that:
 - (i) It has not been enforced for many years;
 - (ii) Most members of society act as if it were no longer in existence;
 - (iii) It serves no deterrent or protective purpose in today's society; and
 - (iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

- (c) De Minimis Violation It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.
- (d) Confinement on Other Charges It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and
- (i) Conviction of the new offense would not merit any additional direct or collateral punishment;
- (ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
 - (iii) Conviction of the new offense would not serve any significant deterrent purpose.
- (e) Pending Conviction on Another Charge It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and
- (i) Conviction of the new offense would not merit any additional direct or collateral punishment;
 - (ii) Conviction in the pending prosecution is imminent;
- (iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and
 - (iv) Conviction of the new offense would not serve any significant deterrent purpose.
- (f) High Disproportionate Cost of Prosecution It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. The reason should be limited to minor cases and should not be relied upon in serious cases.
- (g) Improper Motives of Complainant It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question, or would result in decreased respect for the law.
- (h) Immunity It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused information or testimony will reasonably lead

to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

- (i) Victim Request It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:
 - (i) Assault cases where the victim has suffered little or no injury;
 - (ii) Crimes against property, not involving violence, where no major loss was suffered;
 - (iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification

The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

STANDARD:

Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact finder. With regard to offenses prohibited by RCW 9A.44.040, 9A.44.050, 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, 9A.44.089, and 9A.64.020 the prosecutor should avoid prefiling agreements or diversions intended to place the accused in a program of treatment or counseling, so that treatment, if determined to be beneficial, can be proved under *RCW 13.40.160(4).

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

The categorization of crimes for these charging standards shall be the same as found in RCW 9.94A.411(2).

The decision to prosecute or use diversion shall not be influenced by the race, gender, religion, or creed of the respondent.

- (3) Selection of Charges/Degree of Charge
- (a) The prosecutor should file charges which adequately describe the nature of the respondent's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:
 - (i) Will significantly enhance the strength of the state's case at trial; or
 - (ii) Will result in restitution to all victims.
 - (b) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:
 - (i) Charging a higher degree;
 - (ii) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a respondent's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

(4) Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

- (a) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;
 - (b) The completion of necessary laboratory tests; and
- (c) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

(5) Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

- (a) Probable cause exists to believe the suspect is guilty; and
- (b) The suspect presents a danger to the community or is likely to flee if not apprehended; or
- (c) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

(6) Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

- (a) Polygraph testing;
- (b) Hypnosis;
- (c) Electronic surveillance;
- (d) Use of informants.
- (7) Prefiling Discussions with Defendant

Discussions with the defendant or his or her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

(8) Plea dispositions:

STANDARD

- (a) Except as provided in subsection (2) of this section, a respondent will normally be expected to plead guilty to the charge or charges which adequately describe the nature of his or her criminal conduct or go to trial.
- (b) In certain circumstances, a plea agreement with a respondent in exchange for a plea of guilty to a charge or charges that may not fully describe the nature of his or her criminal conduct may be necessary and in the public interest. Such situations may include the following:
 - (i) Evidentiary problems which make conviction of the original charges doubtful;
- (ii) The respondent's willingness to cooperate in the investigation or prosecution of others whose criminal conduct is more serious or represents a greater public threat;
 - (iii) A request by the victim when it is not the result of pressure from the respondent;
 - (iv) The discovery of facts which mitigate the seriousness of the respondent's conduct;
 - (v) The correction of errors in the initial charging decision;
 - (vi) The respondent's history with respect to criminal activity;
 - (vii) The nature and seriousness of the offense or offenses charged;
 - (viii) The probable effect of witnesses.

Section 4: Chapter 13.40 RCW

- (c) No plea agreement shall be influenced by the race, gender, religion, or creed of the respondent. This includes but is not limited to the prosecutor's decision to utilize such disposition alternatives as the Special Sex Offender Disposition Alternative, the Chemical Dependency Disposition Alternative, and manifest injustice.
 - (9) Disposition recommendations:

STANDARD

The prosecutor may reach an agreement regarding disposition recommendations.

The prosecutor shall not agree to withhold relevant information from the court concerning the plea agreement.

13.40.080 Diversion agreement—Scope—Limitations—Restitution orders—Divertee's rights—Diversion unit's powers and duties—Interpreters—Modification.

- (1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversion unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it. Such agreements shall be entered into as expeditiously as possible.
 - (2) A diversion agreement shall be limited to one or more of the following:
- (a) Community restitution not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;
- (b) Restitution limited to the amount of actual loss incurred by any victim, excluding restitution owed to any insurance provider under Title 48 RCW;
- (c) Attendance at up to ten hours of counseling and/or up to twenty hours of positive youth development, educational or informational sessions at a community agency. The educational or informational sessions may include sessions relating to respect for self, others, and authority; victim awareness; accountability; self-worth; responsibility; work ethics; good citizenship; literacy; and life skills. If an assessment identifies mental health or chemical dependency needs, a youth may access up to thirty hours of counseling. The counseling sessions may include services demonstrated to improve behavioral health and reduce recidivism. For purposes of this section, "community agency" may also mean a community-based nonprofit organization, a physician, a counselor, a school, or a treatment provider, if approved by the diversion unit. The state shall not be liable for costs resulting from the diversion unit exercising the option to permit diversion agreements to mandate attendance at up to thirty hours of counseling and/or up to twenty hours of educational or informational sessions;
- (d) Requirements to remain during specified hours at home, school, or work, and restrictions on leaving or entering specified geographical areas; and
- (e) Upon request of any victim or witness, requirements to refrain from any contact with victims or witnesses of offenses committed by the juvenile.
- (3) Notwithstanding the provisions of subsection (2) of this section, youth courts are not limited to the conditions imposed by subsection (2) of this section in imposing sanctions on juveniles pursuant to RCW 13.40.630.

- (4) In assessing periods of community restitution to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall consult with the juvenile's custodial parent or parents or guardian. To the extent possible, the court officer shall advise the victims of the juvenile offender of the diversion process, offer victim impact letter forms and restitution claim forms, and involve members of the community. Such members of the community may meet with the juvenile and may advise the court officer as to the terms of the diversion agreement and may supervise the juvenile in carrying out its terms.
- (5)(a) A diversion agreement may not exceed a period of six months and may include a period extending beyond the eighteenth birthday of the divertee.
- (b) If additional time is necessary for the juvenile to complete the terms of the agreement or restitution to a victim, the time period limitations of this subsection may be extended by an additional six months at the request of the juvenile.
- (c) If the juvenile has not paid the full amount of restitution by the end of the additional sixmonth period, then the juvenile shall be referred to the juvenile court for entry of a civil order establishing the amount of restitution still owed to the victim. In this order, the court shall also determine the terms and conditions of the restitution, including a payment plan extending up to ten years if the court determines that the juvenile does not have the means to make full restitution over a shorter period. For the purposes of this subsection (5)(c), the juvenile shall remain under the court's jurisdiction for a maximum term of ten years after the juvenile's eighteenth birthday. Prior to the expiration of the initial ten-year period, the juvenile court may extend the judgment for restitution an additional ten years. The court may relieve the juvenile of the requirement to pay full or partial restitution if the juvenile reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay the restitution over a tenyear period. If the court relieves the juvenile of the requirement to pay full or partial restitution, the court may order an amount of community restitution that the court deems appropriate. The county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. A juvenile under obligation to pay restitution may petition the court for modification of the restitution order.
- (d) A diversion agreement may be completed by the juvenile any time prior to an order terminating the agreement.
- (6) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.
- (7) Divertees and potential divertees shall be afforded due process in all contacts with a diversion unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:
- (a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;
 - (b) Violation of the terms of the agreement shall be the only grounds for termination;
- (c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:
 - (i) Written notice of alleged violations of the conditions of the diversion program; and
 - (ii) Disclosure of all evidence to be offered against the divertee;
 - (d) The hearing shall be conducted by the juvenile court and shall include:
 - (i) Opportunity to be heard in person and to present evidence;
 - (ii) The right to confront and cross-examine all adverse witnesses;
- (iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

- (iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement;
 - (e) The prosecutor may file an information on the offense for which the divertee was diverted:
 - (i) In juvenile court if the divertee is under eighteen years of age; or
- (ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.
- (8) The diversion unit shall, subject to available funds, be responsible for providing interpreters when juveniles need interpreters to effectively communicate during diversion unit hearings or negotiations.
- (9) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.
- (10) The diversion unit may refer a juvenile to a restorative justice program, community-based counseling, or treatment programs.
- (11) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(8). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversion unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

- (12) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:
 - (a) The fact that a charge or charges were made;
 - (b) The fact that a diversion agreement was entered into;
 - (c) The juvenile's obligations under such agreement;
 - (d) Whether the alleged offender performed his or her obligations under such agreement; and
 - (e) The facts of the alleged offense.
- (13) A diversion unit may refuse to enter into a diversion agreement with a juvenile. When a diversion unit refuses to enter a diversion agreement with a juvenile, it shall immediately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversion unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile violates the terms of the diversion agreement.
- (14) A diversion unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement. A diversion unit's authority to counsel and release a juvenile under this subsection includes the authority to refer the juvenile to community-based counseling or treatment programs or a restorative justice program.

Any juvenile released under this subsection shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(8). A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language. A juvenile determined to be eligible by a diversion unit for release as provided in this subsection shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

- (15) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.
- (16) If restitution required by a diversion agreement cannot reasonably be paid due to a change of circumstance, the diversion agreement may be modified at the request of the divertee and with the concurrence of the diversion unit to convert unpaid restitution into community restitution. The modification of the diversion agreement shall be in writing and signed by the divertee and the diversion unit. The number of hours of community restitution in lieu of a monetary penalty shall be converted at the rate of the prevailing state minimum wage per hour.

13.40.090 Prosecuting attorney as party to juvenile court proceedings—Exception, procedure.

The county prosecuting attorney shall be a party to all juvenile court proceedings involving juvenile offenders or alleged juvenile offenders.

The prosecuting attorney may, after giving appropriate notice to the juvenile court, decline to represent the state of Washington in juvenile court matters except felonies unless requested by the court on an individual basis to represent the state at an adjudicatory hearing in which case he or she shall participate. When the prosecutor declines to represent the state, then such function may be performed by the juvenile court probation counselor authorized by the court or local court rule to serve as the prosecuting authority.

If the prosecuting attorney elects not to participate, the prosecuting attorney shall file with the county clerk each year by the first Monday in July notice of intent not to participate. In a county wherein the prosecuting attorney has elected not to participate in juvenile court, he or she shall not thereafter until the next filing date participate in juvenile court proceedings unless so requested by the court on an individual basis, in which case the prosecuting attorney shall participate.

13.40.127 Deferred disposition.

- (1) A juvenile is eligible for deferred disposition unless he or she:
- (a) Is charged with a sex or violent offense;
- (b) Has a criminal history which includes any felony;
- (c) Has a prior deferred disposition or deferred adjudication; or
- (d) Has two or more adjudications.
- (2) The juvenile court may, upon motion at least fourteen days before commencement of trial and, after consulting the juvenile's custodial parent or parents or guardian and with the consent of the juvenile, continue the case for disposition for a period not to exceed one year from the date the juvenile is found guilty. In all cases where the juvenile is eligible for a deferred disposition, there shall be a strong presumption that the deferred disposition will be granted. The court may waive the fourteenday period anytime before the commencement of trial for good cause.
 - (3) Any juvenile who agrees to a deferral of disposition shall:
 - (a) Stipulate to the admissibility of the facts contained in the written police report;
- (b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with terms of supervision;
- (c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses; and
- (d) Acknowledge the direct consequences of being found guilty and the direct consequences that will happen if an order of disposition is entered.

The adjudicatory hearing shall be limited to a reading of the court's record.

- (4) Following the stipulation, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.
- (5) Any juvenile granted a deferral of disposition under this section shall be placed under community supervision. The court may impose any conditions of supervision that it deems appropriate including posting a probation bond. Payment of restitution under RCW 13.40.190 shall be a condition of community supervision under this section.

The court may require a juvenile offender convicted of animal cruelty in the first degree to submit to a mental health evaluation to determine if the offender would benefit from treatment and such intervention would promote the safety of the community. After consideration of the results of the evaluation, as a condition of community supervision, the court may order the offender to attend treatment to address issues pertinent to the offense.

The court may require the juvenile to undergo a mental health or substance abuse assessment, or both. If the assessment identifies a need for treatment, conditions of supervision may include treatment for the assessed need that has been demonstrated to improve behavioral health and reduce recidivism.

The court shall require a juvenile granted a deferral of disposition for unlawful possession of a firearm in violation of RCW <u>9.41.040</u> to participate in a qualifying program as described in RCW <u>13.40.193(2)(b)</u>, when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.

- (6) A parent who signed for a probation bond has the right to notify the counselor if the juvenile fails to comply with the bond or conditions of supervision. The counselor shall notify the court and surety of any failure to comply. A surety shall notify the court of the juvenile's failure to comply with the probation bond. The state shall bear the burden to prove, by a preponderance of the evidence, that the juvenile has failed to comply with the terms of community supervision.
- (7)(a) Anytime prior to the conclusion of the period of supervision, the prosecutor or the juvenile's juvenile court community supervision counselor may file a motion with the court requesting

the court revoke the deferred disposition based on the juvenile's lack of compliance or treat the juvenile's lack of compliance as a violation pursuant to RCW 13.40.200.

- (b) If the court finds the juvenile failed to comply with the terms of the deferred disposition, the court may:
 - (i) Revoke the deferred disposition and enter an order of disposition; or
 - (ii) Impose sanctions for the violation pursuant to RCW 13.40.200.
- (8) At any time following deferral of disposition the court may, following a hearing, continue supervision for an additional one-year period for good cause.
- (9)(a) At the conclusion of the period of supervision, the court shall determine whether the juvenile is entitled to dismissal of the deferred disposition only when the court finds:
 - (i) The deferred disposition has not been previously revoked;
 - (ii) The juvenile has completed the terms of supervision;
- (iii) There are no pending motions concerning lack of compliance pursuant to subsection (7) of this section; and
- (iv) The juvenile has either paid the full amount of restitution, or, made a good faith effort to pay the full amount of restitution during the period of supervision.
- (b) If the court finds the juvenile is entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the juvenile's conviction shall be vacated and the court shall dismiss the case with prejudice, except that a conviction under RCW 16.52.205 shall not be vacated. Whenever a case is dismissed with restitution still owing, the court shall enter a restitution order pursuant to RCW 7.80.130 for any unpaid restitution. Jurisdiction to enforce payment and modify terms of the restitution order shall be the same as those set forth in RCW 7.80.130.
- (c) If the court finds the juvenile is not entitled to dismissal of the deferred disposition pursuant to (a) of this subsection, the court shall revoke the deferred disposition and enter an order of disposition. A deferred disposition shall remain a conviction unless the case is dismissed and the conviction is vacated pursuant to (b) of this subsection or sealed pursuant to RCW 13.50.260.
- (10)(a)(i) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is eighteen years of age or older and the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any insurance provider authorized under Title 48 RCW has been paid, the court shall enter a written order sealing the case.
- (ii) Any time the court vacates a conviction pursuant to subsection (9) of this section, if the juvenile is not eighteen years of age or older and full restitution ordered has been paid, the court shall schedule an administrative sealing hearing to take place no later than thirty days after the respondent's eighteenth birthday, at which time the court shall enter a written order sealing the case. The respondent's presence at the administrative sealing hearing is not required.
- (iii) Any deferred disposition vacated prior to June 7, 2012, is not subject to sealing under this subsection.
- (b) Nothing in this subsection shall preclude a juvenile from petitioning the court to have the records of his or her deferred dispositions sealed under RCW 13.50.260.
- (c) Records sealed under this provision shall have the same legal status as records sealed under RCW <u>13.50.260</u>.

13.40.130 Procedure upon plea of guilty or not guilty to information allegations—Notice—Adjudicatory and disposition hearing—Disposition standards used in sentencing.

- (1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.
- (2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, an adjudicatory hearing date shall be set. The court shall notify the parent, guardian, or custodian who has custody of a juvenile described in the charging document of the dispositional or adjudicatory hearing and shall require attendance.
- (3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.
- (4) The court shall record its findings of fact and shall enter its decision upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its decision.
 - (5) If the respondent is found not guilty he or she shall be released from detention.
- (6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, the party and the parent, guardian, or custodian who has custody of the juvenile shall be notified by mail of the time and place of the continued hearing.
- (7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.
- (8) The disposition hearing shall be held within fourteen days after the adjudicatory hearing or plea of guilty unless good cause is shown for further delay, or within twenty-one days if the juvenile is not held in a detention facility, unless good cause is shown for further delay.
- (9) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.
- (10) A person notified under this section who fails without reasonable cause to appear and abide by the order of the court may be proceeded against as for contempt of court. In determining whether a parent, guardian, or custodian had reasonable cause not to appear, the court may consider all factors relevant to the person's ability to appear as summoned.

13.40.135 Sexual motivation special allegation—Procedures.

(1) The prosecuting attorney shall file a special allegation of sexual motivation in every juvenile offense other than sex offenses as defined in RCW <u>9.94A.030</u> when sufficient admissible evidence exists, which, when considered with the most plausible, reasonably consistent defense that could be raised under the evidence, would justify a finding of sexual motivation by a reasonable and objective fact finder.

- (2) In a juvenile case wherein there has been a special allegation the state shall prove beyond a reasonable doubt that the juvenile committed the offense with a sexual motivation. The court shall make a finding of fact of whether or not the sexual motivation was present at the time of the commission of the offense. This finding shall not be applied to sex offenses as defined in RCW 9.94A.030.
- (3) The prosecuting attorney shall not withdraw the special allegation of "sexual motivation" without approval of the court through an order of dismissal. The court shall not dismiss the special allegation unless it finds that such an order is necessary to correct an error in the initial charging decision or unless there are evidentiary problems which make proving the special allegation doubtful.

13.40.140 Juveniles entitled to usual judicial rights—Notice of—Open court—Privilege against self-incrimination—Waiver of rights, when.

- (1) A juvenile shall be advised of the juvenile's rights when appearing before the court.
- (2) A juvenile and the juvenile's parent, guardian, or custodian shall be advised by the court or its representative that the juvenile has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a juvenile who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the juvenile's family, in any proceeding where the juvenile may be subject to transfer for criminal prosecution, or in any proceeding where the juvenile may be in danger of confinement. The ability to pay part of the cost of counsel does not preclude assignment. In no case may a juvenile be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The juvenile shall be fully advised of the juvenile's right to an attorney and of the relevant services an attorney can provide.
- (3) The right to counsel includes the right to the appointment of experts necessary, and the experts shall be required pursuant to the procedures and requirements established by the supreme court.
- (4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.
- (5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.
- (6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open.
- (7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact finder.
- (8) A juvenile shall be accorded the same privilege against self-incrimination as an adult and the protections provided in RCW <u>13.40.740</u>. An extrajudicial statement which would be constitutionally inadmissible in a criminal proceeding may not be received in evidence at an

adjudicatory hearing over objection. Evidence illegally seized or obtained, including evidence obtained in violation of RCW 13.40.740, may not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the juvenile if the evidence would be inadmissible in an adult criminal proceeding. An extrajudicial admission or confession made by the juvenile out of court is insufficient to support a finding that the juvenile committed the acts alleged in the information unless evidence of a corpus delicti is first independently established in the same manner as required in an adult criminal proceeding.

- (9) Statements, admissions, or confessions made by a juvenile in the course of a mental health or chemical dependency screening or assessment, whether or not the screening or assessment was ordered by the court, shall not be admissible into evidence against the juvenile on the issue of guilt in any juvenile offense matter or adult criminal proceeding, unless the juvenile has placed the juvenile's mental health at issue. The statement is admissible for any other purpose or proceeding allowed by law. This prohibition does not apply to statements, admissions, or confessions made to law enforcement, and may not be used to argue for derivative suppression of other evidence lawfully obtained as a result of an otherwise inadmissible statement, admission, or confession.
- (10) Waiver of any right which a juvenile has under this chapter must be an express waiver intelligently made by the juvenile after the juvenile has been fully informed of the right being waived, including having access to an attorney for consultation if required under RCW 13.40.740.
- (11) Whenever this chapter refers to waiver or objection by a juvenile, the word juvenile shall be construed to refer to a juvenile who is at least 12 years of age. If a juvenile is under 12 years of age, the juvenile's parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.

13.40.150 Disposition hearing—Scope—Factors to be considered prior to entry of dispositional order.

- (1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.
 - (2) For purposes of disposition:
 - (a) Violations which are current offenses count as misdemeanors;
 - (b) Violations may not count as part of the offender's criminal history;
 - (c) In no event may a disposition for a violation include confinement.
- (3) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:
 - (a) Consider the facts supporting the allegations of criminal conduct by the respondent;
 - (b) Consider information and arguments offered by parties and their counsel;
 - (c) Consider any predisposition reports;

- (d) Consult with the respondent's parent, guardian, or custodian on the appropriateness of dispositional options under consideration and afford the respondent and the respondent's parent, guardian, or custodian an opportunity to speak in the respondent's behalf;
- (e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;
- (f) Determine the amount of restitution owing to the victim, if any, or set a hearing for a later date not to exceed one hundred eighty days from the date of the disposition hearing to determine the amount, except that the court may continue the hearing beyond the one hundred eighty days for good cause:
 - (g) Determine the respondent's offender score;
 - (h) Consider whether or not any of the following mitigating factors exist:
- (i) The respondent's conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;
 - (ii) The respondent acted under strong and immediate provocation;
- (iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;
- (iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and
- (v) There has been at least one year between the respondent's current offense and any prior criminal offense;
 - (i) Consider whether or not any of the following aggravating factors exist:
- (i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;
 - (ii) The offense was committed in an especially heinous, cruel, or depraved manner;
 - (iii) The victim or victims were particularly vulnerable;
- (iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement;
 - (v) The current offense included a finding of sexual motivation pursuant to RCW 13.40.135;
 - (vi) The respondent was the leader of a criminal enterprise involving several persons;
- (vii) There are other complaints which have resulted in diversion or a finding or plea of guilty but which are not included as criminal history; and
- (viii) The standard range disposition is clearly too lenient considering the seriousness of the juvenile's prior adjudications.
 - (4) The following factors may not be considered in determining the punishment to be imposed:
 - (a) The sex of the respondent;
 - (b) The race or color of the respondent or the respondent's family;
 - (c) The creed or religion of the respondent or the respondent's family;
 - (d) The economic or social class of the respondent or the respondent's family; and
- (e) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter.
- (5) A court may not commit a juvenile to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

- (1) The standard range disposition for a juvenile adjudicated of an offense is determined according to RCW 13.40.0357.
- (a) When the court sentences an offender to a local sanction as provided in RCW 13.40.0357 option A, the court shall impose a determinate disposition within the standard ranges, except as provided in subsection (2), (3), (4), (5), or (6) of this section. The disposition may be comprised of one or more local sanctions.
- (b) When the court sentences an offender to a standard range as provided in RCW 13.40.0357 option A that includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement, except as provided in subsection (2), (3), (4), (5), or (6) of this section.
- (2) If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in option D of RCW 13.40.0357. The court's finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230 by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230.

- (3) If a juvenile offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW <u>9.94A.030</u>, and has no history of a prior sex offense, the court may impose the special sex offender disposition alternative under RCW <u>13.40.162</u>.
- (4) If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, the court may impose the disposition alternative under RCW 13.40.165.
- (5) If a juvenile is subject to a commitment of 15 to 65 weeks of confinement, the court may impose the disposition alternative under *RCW <u>13.40.167</u>.
- (6) When the offender is subject to a standard range commitment of 15 to 36 weeks and is ineligible for a suspended disposition alternative, a manifest injustice disposition below the standard range, special sex offender disposition alternative, chemical dependency disposition alternative, or mental health disposition alternative, the court in a county with a pilot program under **RCW 13.40.169 may impose the disposition alternative under **RCW 13.40.169.
- (7) RCW $\underline{13.40.193}$ shall govern the disposition of any juvenile adjudicated of possessing a firearm in violation of RCW $\underline{9.41.040}(2)(a)(v)$ or any crime in which a special finding is entered that the juvenile was armed with a firearm.
- (8) RCW <u>13.40.308</u> shall govern the disposition of any juvenile adjudicated of theft of a motor vehicle as defined under RCW <u>9A.56.065</u>, possession of a stolen motor vehicle as defined under RCW

- <u>9A.56.068</u>, taking a motor vehicle without permission in the first degree under RCW <u>9A.56.070</u>, and taking a motor vehicle without permission in the second degree under RCW <u>9A.56.075</u>.
- (9) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.
- (10) Except as provided under subsection (3), (4), (5), or (6) of this section, or option B of RCW <u>13.40.0357</u>, or RCW <u>13.40.127</u>, the court shall not suspend or defer the imposition or the execution of the disposition.
- (11) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.

13.40.162 Special sex offender disposition alternative.

- (1) A juvenile offender is eligible for the special sex offender disposition alternative when:
- (a) The offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW <u>9.94A.030</u>, and the offender has no history of a prior sex offense; or
- (b) The offender is found to have committed assault in the fourth degree with sexual motivation, and the offender has no history of a prior sex offense.
- (2) If the court finds the offender is eligible for this alternative, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.
 - (a) The report of the examination shall include at a minimum the following:
 - (i) The respondent's version of the facts and the official version of the facts;
 - (ii) The respondent's offense history;
 - (iii) An assessment of problems in addition to alleged deviant behaviors;

- (iv) The respondent's social, educational, and employment situation;
- (v) Other evaluation measures used.

The report shall set forth the sources of the evaluator's information.

- (b) The examiner shall assess and report regarding the respondent's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:
 - (i) The frequency and type of contact between the offender and therapist;
- (ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
 - (iv) Anticipated length of treatment; and
 - (v) Recommended crime-related prohibitions.
- (c) For good cause shown, the court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion.
- (3) After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusions, that such disposition would cause a manifest injustice, the court shall impose a disposition under option D, and the court may suspend the execution of the disposition and place the offender on community supervision for at least two years.
- (4) As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to 30 days of confinement and requirements that the offender do any one or more of the following:
 - (a) Devote time to a specific education, employment, or occupation;
- (b) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The respondent shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the probation counselor, and the court, and shall not change providers without court approval after a hearing if the prosecutor or probation counselor object to the change;
- (c) Remain within prescribed geographical boundaries and notify the court or the probation counselor prior to any change in the offender's address, educational program, or employment;
- (d) Report to the prosecutor and the probation counselor prior to any change in a sex offender treatment provider. This change shall have prior approval by the court;
 - (e) Report as directed to the court and a probation counselor;
 - (f) Pay restitution and perform community restitution, or any combination thereof;
- (g) Make restitution to the victim for the cost of any counseling reasonably related to the offense; or
 - (h) Comply with the conditions of any court-ordered probation bond.
- (5) If the court orders 24 hour, continuous monitoring of the offender while on probation, the court shall include the basis for this condition in its findings.

- (6)(a) The court must order the offender not to attend the public or approved private elementary, middle, or high school attended by the victim or the victim's siblings.
- (b) The parents or legal guardians of the offender are responsible for transportation or other costs associated with the offender's change of school that would otherwise be paid by the school district.
- (c) The court shall send notice of the disposition and restriction on attending the same school as the victim or victim's siblings to the public or approved private school the juvenile will attend, if known, or if unknown, to the approved private schools and the public school district board of directors of the district in which the juvenile resides or intends to reside. This notice must be sent at the earliest possible date but not later than 10 calendar days after entry of the disposition.
- (7)(a) The sex offender treatment provider shall submit quarterly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.
- (b) At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.
- (c) Except as provided in this subsection, examinations and treatment ordered pursuant to this subsection shall be conducted by qualified professionals as described under (d) of this subsection, certified sex offender treatment providers, or certified affiliate sex offender treatment providers under chapter 18.155 RCW.
- (d) A sex offender therapist who examines or treats a juvenile sex offender pursuant to this subsection does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the therapist is a professional licensed under chapter 18.225 or 18.83 RCW and the treatment employed is evidence-based for sex offender treatment, or if the court finds that: (i) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (ii) no certified sex offender treatment providers or certified affiliate sex offender treatment providers are available for treatment within a reasonable geographical distance of the offender's home; and (iii) the evaluation and treatment plan comply with this subsection and the rules adopted by the department of health.
- (8)(a) If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may revoke the suspension and order execution of the disposition or the court may impose a penalty of up to 30 days confinement for violating conditions of the disposition.
- (b) The court may order both execution of the disposition and up to 30 days confinement for the violation of the conditions of the disposition.
- (c) The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.
- (9) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the crime charged. "Victim" may also include a known parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.
- (10) The respondent or the parent, guardian, or other person having custody of the respondent shall not be required to pay the cost of any evaluation or treatment of the respondent ordered under this section.
 - (11) A disposition entered under this section is not appealable under RCW 13.40.230.

13.40.165 Substance use disorder or mental health disposition alternative.

- (1) The purpose of this disposition alternative is to ensure that successful treatment options to reduce recidivism are available to eligible youth, pursuant to RCW 71.24.615. It is also the purpose of the disposition alternative to assure that minors in need of substance use disorder, mental health, and/or co-occurring disorder treatment receive an appropriate continuum of culturally relevant care and treatment, including prevention and early intervention, self-directed care, parent-directed care, and residential treatment. To facilitate the continuum of care and treatment to minors in out-of-home placements, all divisions of the department that provide these services to minors shall jointly plan and deliver these services. It is also the purpose of the disposition alternative to protect the rights of minors against needless hospitalization and deprivations of liberty and to enable treatment decisions to be made in response to clinical needs and in accordance with sound professional judgment. The mental health, substance abuse, and co-occurring disorder treatment providers shall, to the extent possible, offer services that involve minors' parents, guardians, and family.
- (2) The court must consider eligibility for the substance use disorder or mental health disposition alternative when a juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A- or B+ offense, other than a first time B+ offense under chapter 69.50 RCW. The court, on its own motion or the motion of the state or the respondent if the evidence shows that the offender may be chemically dependent, substance abusing, or has significant mental health or co-occurring disorders may order an examination by a substance use disorder counselor from a substance use disorder treatment facility approved under *chapter 70.96A RCW or a mental health professional as defined in chapter 71.34 RCW to determine if the youth is chemically dependent, substance abusing, or suffers from significant mental health or co-occurring disorders. The state shall pay the cost of any examination ordered under this subsection unless third-party insurance coverage is available.
- (3) The report of the examination shall include at a minimum the following: The respondent's version of the facts and the official version of the facts, the respondent's offense history, an assessment of drug-alcohol problems, mental health diagnoses, previous treatment attempts, the respondent's social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the examiner's information.
- (4) The examiner shall assess and report regarding the respondent's relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:
 - (a) Whether inpatient and/or outpatient treatment is recommended;
 - (b) Availability of appropriate treatment;
- (c) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;
 - (d) Anticipated length of treatment; and
 - (e) Recommended crime-related prohibitions.
- (5) The court on its own motion may order, or on a motion by the state or the respondent shall order, a second examination. The evaluator shall be selected by the party making the motion. The requesting party shall pay the cost of any examination ordered under this subsection unless the

requesting party is the offender, in which case the state shall pay the cost if no third-party insurance coverage is available.

- (6)(a) After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this disposition alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this section.
- (b) If the court determines that this disposition alternative is appropriate, then the court shall impose the standard range for the offense, or if the court concludes, and enters reasons for its conclusion, that such disposition would effectuate a manifest injustice, the court shall impose a disposition above the standard range as indicated in option D of RCW 13.40.0357 if the disposition is an increase from the standard range and the confinement of the offender does not exceed a maximum of 52 weeks, suspend execution of the disposition, and place the offender on community supervision for up to one year. As a condition of the suspended disposition, the court shall require the offender to undergo available outpatient drug/alcohol, mental health, or co-occurring disorder treatment and/or inpatient mental health or drug/alcohol treatment. The court shall only order inpatient treatment under this section if a funded bed is available. If the inpatient treatment is longer than 90 days, the court shall hold a review hearing every 30 days beyond the initial 90 days. The respondent may appear telephonically at these review hearings if in compliance with treatment. As a condition of the suspended disposition, the court may impose conditions of community supervision and other sanctions, including up to 30 days of confinement, 150 hours of community restitution, and payment of restitution.
- (7) The mental health/co-occurring disorder/drug/alcohol treatment provider shall submit monthly reports on the respondent's progress in treatment to the court and the parties. The reports shall reference the treatment plan and include at a minimum the following: Dates of attendance, respondent's compliance with requirements, treatment activities, the respondent's relative progress in treatment, and any other material specified by the court at the time of the disposition.

At the time of the disposition, the court may set treatment review hearings as the court considers appropriate.

If the offender violates any condition of the disposition or the court finds that the respondent is failing to make satisfactory progress in treatment, the court may impose sanctions pursuant to RCW 13.40.200 or revoke the suspension and order execution of the disposition. The court shall give credit for any confinement time previously served if that confinement was for the offense for which the suspension is being revoked.

- (8) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.
- (9) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served
- (10) In no case shall the term of confinement imposed by the court at disposition exceed that to which an adult could be subjected for the same offense.
 - (11) A disposition under this section is not appealable under RCW 13.40.230.
- (12) Subject to funds appropriated for this specific purpose, the costs incurred by the juvenile courts for the mental health, substance use disorder, and/or co-occurring disorder evaluations, treatment, and costs of supervision required under this section shall be paid by the health care authority.

(13) A juvenile, or the parent, guardian, or other person having custody of the juvenile shall not be required to pay the cost of any evaluation or treatment ordered under this section.

13.40.190 Disposition order—Restitution for loss or damage—Modification of restitution order.

- (1)(a) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. In addition, restitution may be ordered for loss or damage if the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which, pursuant to a plea agreement, are not prosecuted.
 - (b) Restitution may include the costs of counseling reasonably related to the offense.
- (c) The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter.
- (d) The court may determine the amount, terms, and conditions of the restitution including a payment plan extending up to ten years if the court determines that the respondent does not have the means to make full restitution over a shorter period. If the court determines that a juvenile has insufficient funds to pay and upon agreement of the victim, the court may order performance of a number of hours of community restitution in lieu of monetary penalty, at the rate of the then state minimum wage per hour. The court shall allow the victim to determine the nature of the community restitution to be completed when it is practicable and appropriate to do so. For the purposes of this section, the respondent shall remain under the court's jurisdiction for a maximum term of ten years after the respondent's eighteenth birthday and, during this period, the restitution portion of the dispositional order may be modified as to amount, terms, and conditions at any time. Prior to the expiration of the ten-year period, the juvenile court may extend the judgment for the payment of restitution for an additional ten years. If the court grants a respondent's petition pursuant to RCW 13.50.260, the court's jurisdiction under this subsection shall terminate.
- (e) Nothing in this section shall prevent a respondent from petitioning the court pursuant to RCW <u>13.50.260</u> if the respondent has paid the full restitution amount stated in the court's order and has met the statutory criteria.
- (f) If the respondent participated in the crime with another person or other persons, the court may either order joint and several restitution or may divide restitution equally among the respondents. In determining whether restitution should be joint and several or equally divided, the court shall consider the interest and circumstances of the victim or victims, the circumstances of the respondents, and the interest of justice.
- (g) At any time, the court may determine that the respondent is not required to pay, or may relieve the respondent of the requirement to pay, full or partial restitution to any insurance provider authorized under Title 48 RCW if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution to the insurance provider.

- (2) Regardless of the provisions of subsection (1) of this section, the court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the court within one year of entry of the disposition order for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the court shall hold a restitution hearing and shall enter a restitution order.
- (3) If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order. The restitution to victims named in the order shall be paid prior to any payment for other penalties or monetary assessments. The county clerk shall make restitution disbursements to victims prior to payments to any insurance provider under Title 48 RCW.
- (4) For purposes of this section, "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a direct result of the offense charged. "Victim" may also include a known parent or guardian of a victim who is a minor child or is not a minor child but is incapacitated, incompetent, disabled, or deceased.
- (5) A respondent under obligation to pay restitution may petition the court for modification of the restitution order for good cause shown, including inability to pay.

13.40.192 Restitution and other legal financial obligations—Enforceability—Treatment of obligations upon age of eighteen or conclusion of juvenile court jurisdiction—Extension of judgment.

- (1) If a juvenile is ordered to pay restitution, the money judgment remains enforceable for a period of 10 years. When the juvenile reaches the age of 18 years or at the conclusion of juvenile court jurisdiction, whichever occurs later, the superior court clerk must docket the remaining balance of the juvenile's restitution in the same manner as other judgments for the payment of money. The judgment remains valid and enforceable until 10 years from the date of its imposition. The clerk of the superior court may seek extension of the judgment for restitution in the same manner as RCW <u>6.17.020</u> for purposes of collection as allowed under RCW <u>36.18.190</u>.
- (2) A judgment against a juvenile for any legal financial obligation other than restitution including, but not limited to, fines, penalty assessments, attorneys' fees, court costs, and other administrative fees, is not enforceable after July 1, 2023. The superior court clerk shall not accept payments from a respondent who was ordered to pay legal financial obligations, including fines, penalty assessments, attorneys' fees, and court costs after July 1, 2023.

13.40.193 Firearms—Length of confinement.

- (1) If a respondent is found to have been in possession of a firearm in violation of RCW 9.41.040(2)(a)(v), the court shall impose a minimum disposition of ten days of confinement. If the offender's standard range of disposition for the offense as indicated in RCW 13.40.0357 is more than thirty days of confinement, the court shall commit the offender to the department for the standard range disposition. The offender shall not be released until the offender has served a minimum of ten days in confinement.
- (2)(a) If a respondent is found to have been in possession of a firearm in violation of RCW <u>9.41.040</u>, the disposition must include a requirement that the respondent participate in a qualifying program as described in (b) of this subsection, when available, unless the court makes a written finding based on the outcome of the juvenile court risk assessment that participation in a qualifying program would not be appropriate.
- (b) For purposes of this section, "qualifying program" means an aggression replacement training program, a functional family therapy program, or another program applicable to the juvenile firearm offender population that has been identified as evidence-based or research-based and cost-beneficial in the current list prepared at the direction of the legislature by the Washington state institute for public policy.
- (3) If the court finds that the respondent or an accomplice was armed with a firearm, the court shall determine the standard range disposition for the offense pursuant to RCW 13.40.160. If the offender or an accomplice was armed with a firearm when the offender committed any felony other than possession of a machine gun or bump-fire stock, possession of a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, or use of a machine gun or bump-fire stock in a felony, the following periods of total confinement must be added to the sentence: (a) Except for (b) of this subsection, for a class A felony, six months; for a class B felony, four months; and for a class C felony, two months; (b) for any violent offense as defined in RCW 9.94A.030, committed by a respondent who is sixteen or seventeen years old at the time of the offense, a period of twelve months. The additional time shall be imposed regardless of the offense's juvenile disposition offense category as designated in RCW 13.40.0357.
- (4)(a) If the court finds that the respondent who is sixteen or seventeen years old and committed the offense of robbery in the first degree, drive-by shooting, rape of a child in the first degree, burglary in the first degree, or any violent offense as defined in RCW 9.94A.030 and was armed with a firearm, and the court finds that the respondent's participation was related to membership in a criminal street gang or advancing the benefit, aggrandizement, gain, profit, or other advantage for a criminal street gang, a period of three months total confinement must be added to the sentence. The additional time must be imposed regardless of the offense's juvenile disposition offense category as designated in RCW 13.40.0357 and must be served consecutively with any other sentencing enhancement.
- (b) For the purposes of this section, "criminal street gang" means any ongoing organization, association, or group of three or more persons, whether formal or informal, having a common name or common identifying sign or symbol, having as one of its primary activities the commission of criminal acts, and whose members or associates individually or collectively engage in or have engaged in a pattern of criminal street gang activity. This definition does not apply to employees engaged in

concerted activities for their mutual aid and protection, or to the activities of labor and bona fide nonprofit organizations or their members or agents.

- (5) When a disposition under this section would effectuate a manifest injustice, the court may impose another disposition. Regardless of the number of times a respondent is brought to court for violations of the terms of a single disposition order, the combined total number of days spent by the respondent in detention shall never exceed the maximum term to which an adult could be sentenced for the underlying offense.
- (4) When a respondent has willfully violated the terms of a probation bond, the court may modify, revoke, or retain the probation bond as provided in RCW 13.40.054.

13.40.210 Setting of release date—Administrative release authorized, when—Parole program, revocation or modification of, scope—Intensive supervision program—Parole officer's right of arrest.

- (1) The secretary shall set a release date for each juvenile committed to its custody. The release date shall be within the prescribed range to which a juvenile has been committed under RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.
- (2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.
- (3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for a sex offense as defined under RCW 9.94A.030 the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence for theft of a motor vehicle, possession of a stolen motor vehicle, or taking a motor vehicle without permission 1. A juvenile adjudicated for unlawful possession of a firearm, possession of a stolen firearm, theft of a firearm, or drive-by shooting may participate in aggression replacement training, functional family therapy, or functional family parole aftercare if the juvenile meets eligibility requirements for these services. The decision to place an offender in an evidencebased parole program shall be based on an assessment by the department of the offender's risk for reoffending upon release and an assessment of the ongoing treatment needs of the juvenile. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending.
- (b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm

or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii) pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines or restitution; and (xii) perform community restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

- (c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.
- (d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.
- (4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (vi) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the youth has completed the basic training camp program as described in RCW 13.40.320.
- (b) The secretary may modify parole and order any of the conditions or may return the offender to confinement for up to twenty-four weeks if the offender was sentenced for a sex offense as defined under RCW 9A.44.128 and is known to have violated the terms of parole. Confinement beyond thirty days is intended to only be used for a small and limited number of sex offenders. It shall only be used when other graduated sanctions or interventions have not been effective or the behavior is so egregious

it warrants the use of the higher level intervention and the violation: (i) Is a known pattern of behavior consistent with a previous sex offense that puts the youth at high risk for reoffending sexually; (ii) consists of sexual behavior that is determined to be predatory as defined in RCW 71.09.020; or (iii) requires a review under chapter 71.09 RCW, due to a recent overt act. The total number of days of confinement for violations of parole conditions during the parole period shall not exceed the number of days provided by the maximum sentence imposed by the disposition for the underlying offense pursuant to RCW 13.40.0357. The department shall not aggregate multiple parole violations that occur prior to the parole revocation hearing and impose consecutive twenty-four week periods of confinement for each parole violation. The department is authorized to engage in rule making pursuant to chapter 34.05 RCW, to implement this subsection, including narrowly defining the behaviors that could lead to this higher level intervention.

- (c) If the department finds that any juvenile in a program of parole has possessed a firearm or used a deadly weapon during the program of parole, the department shall modify the parole under (a) of this subsection and confine the juvenile for at least thirty days. Confinement shall be in a facility operated by or pursuant to a contract with the state or any county.
- (5) A parole officer of the department of children, youth, and families shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest the person.
- (6) If so requested and approved under chapter 13.06 RCW, the secretary shall permit a county or group of counties to perform functions under subsections (3) through (5) of this section.

13.40.212 Intensive supervision program—Elements.

The department shall, no later than January 1, 1999, implement an intensive supervision program as a part of its parole services that includes, at a minimum, the following program elements:

- (1) A process of case management involving coordinated and comprehensive planning, information exchange, continuity and consistency, service provision and referral, and monitoring. The components of the case management system shall include assessment, classification, and selection criteria; individual case planning that incorporates a family and community perspective; a mixture of intensive surveillance and services; a balance of incentives and graduated consequences coupled with the imposition of realistic, enforceable conditions; and service brokerage with community resources and linkage with social networks;
- (2) Administration of transition services that transcend traditional agency boundaries and professional interests and include courts, institutions, aftercare, education, social and mental health services, substance abuse treatment, and employment and vocational training; and
- (3) A plan for information management and program evaluation that maintains close oversight over implementation and quality control, and determines the effectiveness of both the processes and outcomes of the program.

[2020 c 262 § 6; 1997 c 338 § 34.] NOTES:

Findings—Intent—1997 c 338 §§ 32 and 34: "The legislature finds the present system of transitioning youths from residential status to parole status to discharge is insufficient to provide adequate rehabilitation and public safety in many instances, particularly in cases of offenders at highest risk of reoffending. The legislature further finds that an intensive supervision program based on the following principles holds much promise for positively impacting recidivism rates for juvenile offenders: (1) Progressive increase in responsibility and freedom in the community; (2) facilitation of youths' interaction and involvement with their communities; (3) involvement of both the youth and targeted community support systems such as family, peers, schools, and employers, on the qualities needed for constructive interaction and successful adjustment with the community; (4) development of new resources, supports, and opportunities where necessary; and (5) ongoing monitoring and testing of youth on their ability to abide by community rules and standards.

The legislature intends for the department to create an intensive supervision program based on the principles stated in this section that will be available to the highest risk juvenile offenders placed on parole." [1997 c 338 § 33.]

13.40.213 Juveniles alleged to have committed offenses of prostitution or prostitution loitering—Diversion. (*Effective until January 1, 2024*.)

- (1) When a juvenile is alleged to have committed a prostitution loitering offense, and the allegation, if proved, would not be the juvenile's first offense, a prosecutor may divert the offense if the county in which the offense is alleged to have been committed has a comprehensive program that provides:
 - (a) Safe and stable housing;
 - (b) Comprehensive on-site case management;
- (c) Integrated mental health and chemical dependency services, including specialized trauma recovery services;
 - (d) Education and employment training delivered on-site; and
 - (e) Referrals to off-site specialized services, as appropriate.

- (2) A prosecutor may divert a case for prostitution loitering into the comprehensive program described in this section, notwithstanding the filing criteria set forth in RCW <u>13.40.070(5)</u>.
 - (3) A diversion agreement under this section may extend to twelve months.
 - (4)(a) The administrative office of the courts shall compile data regarding:
- (i) The number of juveniles whose cases are diverted into the comprehensive program described in this section:
 - (ii) Whether the juveniles complete their diversion agreements under this section; and
- (iii) Whether juveniles whose cases have been diverted under this section have been subsequently arrested or committed subsequent offenses.
- (b) An annual report of the data compiled shall be provided to the governor and the appropriate committee of the legislature.

[2010 c 289 § 8; 2009 c 252 § 2.] NOTES:

Findings—2009 c 252: "The legislature finds that juveniles involved in the commercial sex trade are sexually exploited and that they face extreme threats to their physical and emotional well-being. In order to help them break out of the isolation, fear, and danger of the commercial sex trade and to assist them in their recovery from the resulting mental and physical harm and in the development of skills that will allow them to become independent and achieve long-term security, these juveniles are in critical need of comprehensive services, including housing, mental health counseling, education, employment, chemical dependency treatment, and skill building. The legislature further finds that a diversion program to provide these comprehensive services, working within existing resources in the counties which prosecute juveniles for prostitution and prostitution loitering, may be an appropriate alternative to the prosecution of juveniles involved in the commercial sex trade." Legislative finding—1988 c 148: "The legislature finds that many persons under the age of eighteen unlawfully use intoxicating liquor and controlled substances. The use of these substances by juveniles can cause serious damage to their physical, mental, and emotional well-being, and in some instances results in lifelong disabilities.

The legislature also finds that juveniles who unlawfully use alcohol and controlled substances frequently operate motor vehicles while under the influence of and impaired by alcohol or drugs. Juveniles who use these substances often have seriously impaired judgment and motor skills and pose an unduly high risk of causing injury or death to themselves or other persons on the public highways.

The legislature also finds that juveniles will be deterred from the unlawful use of alcohol and controlled substances if their driving privileges are suspended or revoked for using illegal drugs or alcohol." [1988 c 148 § 1.]

Severability—1988 c 148: "If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected." [1988 c 148 § 10.]

13.40.280 Transfer of juvenile to department of corrections facility—Grounds—Hearing—Term—Retransfer to a facility for juveniles.

- (1) The secretary of the department of children, youth, and families, with the consent of the secretary of the department of corrections, has the authority to transfer a juvenile presently or hereafter committed to the department of children, youth, and families to the department of corrections for appropriate institutional placement in accordance with this section.
- (2) The secretary of the department of children, youth, and families may, with the consent of the secretary of the department of corrections, transfer a juvenile offender to the department of corrections if it is established at a hearing before a review board that continued placement of the juvenile offender in an institution for juvenile offenders presents a continuing and serious threat to the safety of others in the institution. The department of children, youth, and families shall establish rules for the conduct of the hearing, including provision of counsel for the juvenile offender.
- (3) Assaults made against any staff member at a juvenile corrections institution that are reported to a local law enforcement agency shall require a hearing held by the department of children, youth, and families review board within ten judicial working days. The board shall determine whether the accused juvenile offender represents a continuing and serious threat to the safety of others in the institution.
- (4) Upon conviction in a court of law for custodial assault as defined in RCW <u>9A.36.100</u>, the department of children, youth, and families review board shall conduct a second hearing, within five judicial working days, to recommend to the secretary of the department of children, youth, and families that the convicted juvenile be transferred to an adult correctional facility if the review board has determined the juvenile offender represents a continuing and serious threat to the safety of others in the institution.

The juvenile has the burden to show cause why the transfer to an adult correctional facility should not occur.

- (5) A juvenile offender transferred to an institution operated by the department of corrections shall not remain in such an institution beyond the maximum term of confinement imposed by the juvenile court.
- (6) A juvenile offender who has been transferred to the department of corrections under this section may, in the discretion of the secretary of the department of children, youth, and families and with the consent of the secretary of the department of corrections, be transferred from an institution

A juvenile offender ordered to serve a term of confinement with the department of children, youth, and families who is subsequently sentenced to the department of corrections may, with the consent of the department of corrections, be transferred by the secretary of children, youth, and families to the department of corrections to serve the balance of the term of confinement ordered by the juvenile court. Finding—1991 c 326: "The legislature finds that a destructive lifestyle of drug and street gang activity is rapidly becoming prevalent among some of the state's youths. Gang and drug activity may be a culturally influenced phenomenon which the legislature intends public and private agencies to consider and address in prevention and treatment programs. Gang and drug-involved youths are more likely to become addicted to drugs or alcohol, live in poverty, experience high unemployment, be incarcerated, and die of violence than other youths." 13.40.320 Juvenile offender basic training camp program.

- (1) The department may establish a medium security juvenile offender basic training camp program. This program for juvenile offenders serving a term of confinement under the supervision of the department is exempt from the licensing requirements of chapter 74.15 RCW.
- (2) The department may contract under this chapter with private companies, the national guard, or other federal, state, or local agencies to operate the juvenile offender basic training camp.
- (3) The juvenile offender basic training camp shall be a structured and regimented model emphasizing the building up of an offender's self-esteem, confidence, and discipline. The juvenile offender basic training camp program shall provide participants with basic education, prevocational training, work-based learning, work experience, work ethic skills, conflict resolution counseling, substance abuse intervention, anger management counseling, and structured intensive physical training. The juvenile offender basic training camp program shall have a curriculum training and work schedule that incorporates a balanced assignment of these or other rehabilitation and training components for no less than sixteen hours per day, six days a week.

The department shall develop standards for the safe and effective operation of the juvenile offender basic training camp program, for an offender's successful program completion, and for the continued after-care supervision of offenders who have successfully completed the program.

- (4) Offenders eligible for the juvenile offender basic training camp option shall be those with a disposition of not more than sixty-five weeks. Violent and sex offenders shall not be eligible for the juvenile offender basic training camp program.
- (5) If the court determines that the offender is eligible for the juvenile offender basic training camp option, the court may recommend that the department place the offender in the program. The department shall evaluate the offender and may place the offender in the program. The evaluation shall include, at a minimum, a risk assessment developed by the department and designed to determine the offender's suitability for the program. No juvenile who is assessed as a high risk offender or suffers from any mental or physical problems that could endanger his or her health or drastically affect his or her performance in the program shall be admitted to or retained in the juvenile offender basic training camp program.
- (6) All juvenile offenders eligible for the juvenile offender basic training camp sentencing option shall spend one hundred twenty days of their disposition in a juvenile offender basic training camp. This period may be extended for up to forty days by the secretary if a juvenile offender requires additional time to successfully complete the basic training camp program. If the juvenile offender's activities while in the juvenile offender basic training camp are so disruptive to the juvenile offender basic training camp program, as determined by the secretary according to standards developed by the department, as to result in the removal of the juvenile offender from the juvenile offender basic training camp program, or if the offender cannot complete the juvenile offender basic training camp program

due to medical problems, the secretary shall require that the offender be committed to a juvenile institution to serve the entire remainder of his or her disposition, less the amount of time already served in the juvenile offender basic training camp program.

- (7) All offenders who successfully graduate from the juvenile offender basic training camp program shall spend the remainder of their disposition on parole in a department juvenile rehabilitation intensive aftercare program in the local community. Violation of the conditions of parole is subject to sanctions specified in RCW 13.40.210(4). The program shall provide for the needs of the offender based on his or her progress in the aftercare program as indicated by ongoing assessment of those needs and progress. The intensive aftercare program shall monitor postprogram juvenile offenders and assist them to successfully reintegrate into the community. In addition, the program shall develop a process for closely monitoring and assessing public safety risks. The intensive aftercare program shall be designed and funded by the department.
- (8) The department shall also develop and maintain a database to measure recidivism rates specific to this incarceration program. The database shall maintain data on all juvenile offenders who complete the juvenile offender basic training camp program for a period of two years after they have completed the program. The database shall also maintain data on the criminal activity, educational progress, and employment activities of all juvenile offenders who participated in the program.

Findings and intent—Juvenile basic training camps—1994 sp.s. c 7: "The legislature finds that the number of juvenile offenders and the severity of their crimes is increasing rapidly statewide. In addition, many juvenile offenders continue to reoffend after they are released from the juvenile justice system causing disproportionately high and expensive rates of recidivism.

The legislature further finds that juvenile criminal behavior is often the result of a lack of self-discipline, the lack of systematic work habits and ethics, the inability to deal with authority figures, and an unstable or unstructured living environment. The legislature further finds that the department of social and health services currently operates an insufficient number of confinement beds to meet the rapidly growing juvenile offender population. Together these factors are combining to produce a serious public safety hazard and the need to develop more effective and stringent juvenile punishment and rehabilitation options.

The legislature intends that juvenile offenders who enter the state rehabilitation system have the opportunity and are given the responsibility to become more effective participants in society by enhancing their personal development, work ethics, and life skills. The legislature recognizes that structured incarceration programs for juvenile offenders such as juvenile offender basic training camps, can instill the self-discipline, accountability, self-esteem, and work ethic skills that could discourage many offenders from returning to the criminal justice system. Juvenile offender basic training camp incarceration programs generally emphasize life skills training, prevocational work skills training, anger management, dealing with difficult at-home family problems and/or abuses, discipline, physical training, structured and intensive work activities, and educational classes. The legislature further recognizes that juvenile offenders can benefit from a highly structured basic training camp environment and the public can also benefit through increased public protection and reduced cost due to lowered rates of recidivism." 13.40.462 Reinvesting in youth program.

- (1) The department shall establish a reinvesting in youth program that awards grants to counties for implementing research-based early intervention services that target juvenile justice-involved youth and reduce crime, subject to the availability of amounts appropriated for this specific purpose.
- (2) Effective July 1, 2007, any county or group of counties may apply for participation in the reinvesting in youth program.
- (3) Counties that participate in the reinvesting in youth program shall have a portion of their costs of serving youth through the research-based intervention service models paid for with moneys from the reinvesting in youth account established pursuant to RCW 13.40.466.
- (4) The department shall review county applications for funding through the reinvesting in youth program and shall select the counties that will be awarded grants with funds appropriated to implement this program. The department, in consultation with the Washington state institute for public policy, shall develop guidelines to determine which counties will be awarded funding in accordance with the reinvesting in youth program. At a minimum, counties must meet the following criteria in order to participate in the reinvesting in youth program:
- (a) Counties must match state moneys awarded for research-based early intervention services with nonstate resources that are at least proportional to the expected local government share of state and local government cost avoidance that would result from the implementation of such services;
- (b) Counties must demonstrate that state funds allocated pursuant to this section are used only for the intervention service models authorized pursuant to RCW 13.40.464;
- (c) Counties must participate fully in the state quality assurance program established in RCW 13.40.468 to ensure fidelity of program implementation. If no state quality assurance program is in effect for a particular selected research-based service, the county must submit a quality assurance plan for state approval with its grant application. Failure to demonstrate continuing compliance with quality assurance plans shall be grounds for termination of state funding; and

(d) Counties that submit joint applications must submit for approval by the department multicounty plans for efficient program delivery.

Transition plan—Report to the legislature—2011 1st sp.s. c 32: See note following RCW 70.305.005.

Finding—Intent—2006 c 304: "The legislature finds that there are youth and family-focused intervention services that have been proven through rigorous evaluation in the state of Washington and elsewhere to significantly reduce violence and crime while saving more public safety dollars than they cost. Under current state laws, no local government acting alone has the financial incentive to invest in these cost-effective services because the savings accrue to multiple levels of government with the largest savings going to the state. It is the intent of the legislature to create incentives for local government to invest in cost-effective intervention services that reduce crime by reimbursing local governments with a portion of the cost savings that accrue to the state as the result of local investments in such services." 13.40.464 Reinvesting in youth program—Guidelines.

- (1)(a) In order to receive funding through the reinvesting in youth program established pursuant to RCW <u>13.40.462</u>, intervention service models must meet the following minimum criteria:
- (i) There must be scientific evidence from at least one rigorous evaluation study of the specific service model that measures recidivism reduction;
- (ii) There must be evidence that the specific service model's results can be replicated outside of an academic research environment;
- (iii) The evaluation or evaluations of the service model must permit dollar cost estimates of both benefits and costs so that the benefit-cost ratio of the model can be calculated; and
- (iv) The public taxpayer benefits to all levels of state and local government must exceed the service model costs.
- (b) In calendar year 2006, for use beginning in fiscal year 2008, the Washington state institute for public policy shall publish a list of service models that are eligible for reimbursement through the investing in youth program. As authorized by the board of the institute and to the extent necessary to respond to new research and information, the institute shall periodically update the list of service models. The institute shall use the technical advisory committee established in *RCW 13.40.462(5) to review and provide comments on the list of service models that are eligible for reimbursement.
- (2) In calendar year 2006, for use beginning in fiscal year 2008, the Washington state institute for public policy shall review and update the methodology for calculating cost savings resulting from implementation of this program. As authorized by the board of the institute and to the extent necessary to respond to new research and information, the institute shall periodically further review and update the methodology. As authorized by the board of the institute, when the institute reviews and updates the methodology for calculating cost savings, the institute shall provide an estimate of savings and avoided costs resulting from this program, along with a projection of future savings and avoided costs, to the appropriate committees of the legislature. The institute shall use the technical advisory committee established in *RCW 13.40.462(5) to review and provide comments on its methodology and cost calculations.

(3) In calendar year 2006, for use beginning in fiscal year 2008, the department shall establish a distribution formula to provide funding to local governments that implement research-based intervention services pursuant to this program. The department shall periodically update the distribution formula. The distribution formula shall require that the state allocation to local governments be proportional to the expected state government share of state and local government cost avoidance that would result from the implementation of such services based on the methodology maintained by the Washington state institute for public policy pursuant to subsection (2) of this section. The department shall use the technical advisory committee established in *RCW 13.40.462(5) to review and provide comments on its proposed distribution formula.

13.40.470 Vulnerable youth committed to residential facilities—Protection from sexually aggressive youth—Assessment process.

- (1) The department shall implement a policy for protecting youth committed to state-operated or state-funded residential facilities under this chapter who are vulnerable to sexual victimization by other youth committed to those facilities who are sexually aggressive. The policy shall include, at a minimum, the following elements:
- (a) Development and use of an assessment process for identifying youth, within thirty days of commitment to the department, who present a moderate or high risk of sexually aggressive behavior for the purposes of this section. The assessment process need not require that every youth who is adjudicated or convicted of a sex offense as defined in RCW <u>9.94A.030</u> be determined to be sexually aggressive, nor shall a sex offense adjudication or conviction be required in order to determine a youth is sexually aggressive. Instead, the assessment process shall consider the individual circumstances of the youth, including his or her age, physical size, sexual abuse history, mental and emotional condition, and other factors relevant to sexual aggressiveness. The definition of "sexually aggressive youth" in RCW 74.13.075 does not apply to this section to the extent that it conflicts with this section;
- (b) Development and use of an assessment process for identifying youth, within thirty days of commitment to the department, who may be vulnerable to victimization by youth identified under (a) of this subsection as presenting a moderate or high risk of sexually aggressive behavior. The

assessment process shall consider the individual circumstances of the youth, including his or her age, physical size, sexual abuse history, mental and emotional condition, and other factors relevant to vulnerability;

- (c) Development and use of placement criteria to avoid assigning youth who present a moderate or high risk of sexually aggressive behavior to the same sleeping quarters as youth assessed as vulnerable to sexual victimization, except that they may be assigned to the same multiple-person sleeping quarters if those sleeping quarters are regularly monitored by visual surveillance equipment or staff checks:
- (d) Development and use of procedures for minimizing, within available funds, unsupervised contact in state-operated or state-funded residential facilities between youth presenting moderate to high risk of sexually aggressive behavior and youth assessed as vulnerable to sexual victimization. The procedures shall include taking reasonable steps to prohibit any youth committed under this chapter who present a moderate to high risk of sexually aggressive behavior from entering any sleeping quarters other than the one to which they are assigned, unless accompanied by an authorized adult.
 - (2) For the purposes of this section, the following terms have the following meanings:
- (a) "Sleeping quarters" means the bedrooms or other rooms within a residential facility where youth are assigned to sleep.
- (b) "Unsupervised contact" means contact occurring outside the sight or hearing of a responsible adult for more than a reasonable period of time under the circumstances.

[1997 c 386 § 50.]

NOTES:

Finding—Intent—1997 c 386 §§ 50-55: "The legislature finds that the placement of children and youth in state-operated or state-funded residential facilities must be done in such a manner as to protect children who are vulnerable to sexual victimization from youth who are sexually aggressive. To achieve this purpose, the legislature intends the department of social and health services to develop a policy for assessing sexual aggressiveness and vulnerability to sexual victimization of children and youth who are placed in state-operated or state-funded residential facilities." 13.40.480 Student records and information—Reasons for release—Who may request.

- (1) Pursuant to RCW <u>28A.600.475</u>, and to the extent permitted by the family educational and privacy rights act of 1974, 20 U.S.C. Sec. 1232g(b), and in order to serve the juvenile while in detention and to prepare any postconviction services, schools shall make all student records and information necessary for risk assessment, security classification, and placement available to court personnel and the department within three working days of a request under this section.
- (2)(a) When a juvenile has one or more prior convictions, a request for records shall be made by the county prosecuting attorney, or probation department if available, to the school not more than ten days following the juvenile's arrest or detention, whichever occurs later, and prior to trial. The request may be made by subpoena.
- (b) Where a juvenile has no prior conviction, a request to release records shall be made by subpoena upon the juvenile's conviction. When the request for a juvenile's student records and information is made by subpoena following conviction, the court or other issuing agency shall order the school on which the subpoena is served not to disclose to any person the existence or contents of the subpoena or any information furnished in response to the subpoena. When the court or issuing agency so orders, the school shall not provide notice to the juvenile or his or her parents.

13.40.500 Community juvenile accountability programs—Findings—Purpose.

The legislature finds that meaningful community involvement is vital to the juvenile justice system's ability to respond to the serious problem of juvenile crime. Citizens and crime victims need to be active partners in responding to crime, in the management of resources, and in the disposition decisions regarding juvenile offenders in their community. Involvement of citizens and crime victims increase offender accountability and build healthier communities, which will reduce recidivism and crime rates in Washington state.

The legislature also finds that local governments are in the best position to develop, coordinate, and manage local community prevention, intervention, and corrections programs for juvenile offenders, and to determine local resource priorities. Local community management will build upon local values and increase local control of resources, encourage the use of a comprehensive range of community-based intervention strategies.

The primary purpose of RCW <u>13.40.500</u> through <u>13.40.540</u>, the community juvenile accountability act, is to provide a continuum of community-based programs that emphasize the juvenile offender's accountability for his or her actions while assisting him or her in the development of skills necessary to function effectively and positively in the community in a manner consistent with public safety.

13.40.510 Community juvenile accountability programs—Establishment—Proposals—Guidelines.

- (1) In order to receive funds under RCW <u>13.40.500</u> through <u>13.40.540</u>, local governments may, through their respective agencies that administer funding for consolidated juvenile services, submit proposals that establish community juvenile accountability programs within their communities. These proposals must be submitted to the department for certification.
 - (2) The proposals must:
- (a) Demonstrate that the proposals were developed with the input of the local law and justice councils established under RCW 72.09.300;
- (b) Describe how local community groups or members are involved in the implementation of the programs funded under RCW $\underline{13.40.500}$ through $\underline{13.40.540}$;
- (c) Include a description of how the grant funds will contribute to the expected outcomes of the program and the reduction of youth violence and juvenile crime in their community. Data approaches are not required to be replicated if the networks have information that addresses risks in the community for juvenile offenders.
- (3) A local government receiving a grant under this section shall agree that any funds received must be used efficiently to encourage the use of community-based programs that reduce the reliance on secure confinement as the sole means of holding juvenile offenders accountable for their crimes.

The local government shall also agree to account for the expenditure of all funds received under the grant and to submit to audits for compliance with the grant criteria developed under RCW 13.40.520.

- (4) The department, in consultation with the Washington association of juvenile court administrators and the state law and justice advisory council, shall establish guidelines for programs that may be funded under RCW 13.40.500 through 13.40.540. The guidelines must:
 - (a) Target referred and diverted youth, as well as adjudicated juvenile offenders;
- (b) Include assessment methods to determine services, programs, and intervention strategies most likely to change behaviors and norms of juvenile offenders;
- (c) Provide maximum structured supervision in the community. Programs should use natural surveillance and community guardians such as employers, relatives, teachers, clergy, and community mentors to the greatest extent possible;
- (d) Promote good work ethic values and educational skills and competencies necessary for the juvenile offender to function effectively and positively in the community;
- (e) Maximize the efficient delivery of treatment services aimed at reducing risk factors associated with the commission of juvenile offenses;
- (f) Maximize the reintegration of the juvenile offender into the community upon release from confinement;
- (g) Maximize the juvenile offender's opportunities to make full restitution to the victims and amends to the community;
- (h) Support and encourage increased court discretion in imposing community-based intervention strategies;
- (i) Be compatible with research that shows which prevention and early intervention strategies work with juvenile offenders;
- (j) Be outcome-based in that it describes what outcomes will be achieved or what outcomes have already been achieved;
 - (k) Include an evaluation component; and
 - (1) Recognize the diversity of local needs.
- (5) The state law and justice advisory council may provide support and technical assistance to local governments for training and education regarding community-based prevention and intervention strategies.
- (6) For purposes of this section and RCW * $\underline{13.40.541}$ and $\underline{13.40.511}$, "referred youth" means a youth who:
- (a) Was contacted by a law enforcement officer and the law enforcement officer has probable cause to believe that he or she has committed a crime;
- (b) Was referred to a program that allows youth to enter before being diverted or charged with a juvenile offense; and
- (c) Would have been diverted or charged with a juvenile offense, if not for the program to which he or she was referred.

13.40.511 Community juvenile accountability programs—Stop loss policy—Funding for juvenile courts—Report to legislature.

- (1) As of July 28, 2019, the block grant oversight committee must implement a stop loss policy when allocating funding under RCW 13.40.510. The stop loss policy must limit the loss in funding for any juvenile court from one year to the next. The block grant oversight committee must establish a minimum base level of funding for juvenile courts with lower numbers of at-risk youth ten years of age and over but under eighteen years of age. The department of children, youth, and families must report, in compliance with RCW 43.01.036, to the legislature by December 1, 2019, about how funding is used for referred youth and the impact of that use on overall use of funding.
- (2) For purposes of this section, "block grant oversight committee" means a committee established by the juvenile rehabilitation division of the department of children, youth, and families and the juvenile courts that provides block grant funding formula oversight with equal representation from the juvenile rehabilitation division of the department of children, youth, and families and the juvenile courts. The purpose of this committee is to assess the ongoing implementation of the block grant funding formula, utilizing data-driven decision making and the most current available information. The committee is cochaired by the juvenile rehabilitation division of the department of children, youth, and families and the juvenile courts, who have the ability to change members of the committee as needed to achieve its purpose.

In the event the employee of the institution or detention facility determines that extraordinary circumstances exist and restraints are used, the employee of the institution or detention facility must fully document in writing the reasons that he or she determined such extraordinary circumstances existed such that restraints were used. As part of this documentation, the employee of the institution or detention facility must also include the kind of restraints used and the reasons those restraints were considered the least restrictive available and the most reasonable under the circumstances.

- (1) Except as provided in subsection (4) of this section, law enforcement shall provide a juvenile with access to an attorney for consultation, which may be provided in person, by telephone, or by video conference, before the juvenile waives any constitutional rights if a law enforcement officer:

- (b)(i) The law enforcement officer believes that the information sought is necessary to protect an individual's life from an imminent threat;

- (ii) A delay to allow legal consultation would impede the protection of an individual's life from an imminent threat; and
- (iii) Questioning by the law enforcement officer is limited to matters reasonably expected to obtain information necessary to protect an individual's life from an imminent threat.
- (5) After the juvenile has consulted with legal counsel, the juvenile may advise, direct a parent or guardian to advise, or direct legal counsel to advise the law enforcement officer that the juvenile chooses to assert a constitutional right. Any assertion of constitutional rights by the juvenile through legal counsel must be treated by a law enforcement officer as though it came from the juvenile. Intent—2016 c 71: See note following RCW 28A.300.590.

Finding—Intent—2015 c 265: "The legislature finds that requiring juvenile offenders to pay all legal financial obligations before being eligible to have a juvenile record administratively sealed disproportionately affects youth based on their socioeconomic status. Juveniles who cannot afford to pay their legal financial obligations cannot seal their juvenile records once they turn eighteen and oftentimes struggle to find employment. By eliminating most nonrestitution legal financial obligations for juveniles convicted of less serious crimes, juvenile offenders will be better able to find employment and focus on making restitution payments first to the actual victim. This legislation is intended to help juveniles understand the consequences of their actions and the harm that those actions have caused others without placing insurmountable burdens on juveniles attempting to become productive members of society. Depending on the juvenile's ability to pay, and upon the consent of the victim, courts should also strongly consider ordering community restitution in lieu of paying restitution where appropriate." [2015 c 265 § 1.] Findings—Intent—2014 c 175: "The legislature finds that:

- (1) The primary goal of the Washington state juvenile justice system is the rehabilitation and reintegration of former juvenile offenders. The public has a compelling interest in the rehabilitation of former juvenile offenders and their successful reintegration into society as active, law-abiding, and contributing members of their communities. When juvenile court records are publicly available, former juvenile offenders face substantial barriers to reintegration, as they are denied housing, employment, and education opportunities on the basis of these records.
- (2) The legislature declares it is the policy of the state of Washington that the interest in juvenile rehabilitation and reintegration constitutes compelling circumstances that outweigh the public interest in continued availability of juvenile court records. The legislature intends that juvenile court proceedings be openly administered but, except in limited circumstances, the records of these proceedings be closed when the juvenile has reached the age of eighteen and completed the terms of disposition." 13.50.050 Records relating to commission of juvenile offenses—Maintenance of, access to, and destruction.

- (1) This section and RCW <u>13.50.260</u> and <u>13.50.270</u> govern records relating to the commission of juvenile offenses, including records relating to diversions.
- (2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to RCW <u>13.50.260</u>.
- (3) All records other than the official juvenile court file are confidential and may be released only as provided in this chapter, RCW 13.40.215 and 4.24.550.
- (4) Except as otherwise provided in this chapter, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or when that other participant is assigned the responsibility for supervising the juvenile.
- (5) Except as provided in RCW <u>4.24.550</u>, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.
- (6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.
- (7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.
- (8) The juvenile court and the prosecutor may set up and maintain a central recordkeeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central recordkeeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central recordkeeping system without notification by the diversion unit of the date on which the offender agreed to diversion.
- (9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.
- (10) Subject to the rules of discovery applicable in adult criminal prosecutions, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall be released upon request to prosecution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult convicted of a crime and placed under the supervision of the adult corrections system shall be released upon request to the adult corrections system.
- (11) Any juvenile to whom the provisions of this section or RCW <u>13.50.260</u> or <u>13.50.270</u> may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

- (12) Nothing in this section or RCW <u>13.50.260</u> or <u>13.50.270</u> may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.
- (13) Except as provided in RCW 13.50.270(2), no identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.
- (14) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

- (5) Any disclosure of records or information by the department of social and health services or the department of children, youth, and families, pursuant to this section shall not be deemed a waiver of any confidentiality or privilege attached to the records or information by operation of any state or federal statute or regulation, and any recipient of such records or information shall maintain it in such a manner as to comply with such state and federal statutes and regulations and to protect against unauthorized disclosure.
- (6) A contracting agency or service provider of the department of social and health services or the department of children, youth, and families, that provides counseling, psychological, psychiatric, or medical services may release to the office of the family and children's ombuds information or records relating to services provided to a juvenile who is dependent under chapter 13.34 RCW without the consent of the parent or guardian of the juvenile, or of the juvenile if the juvenile is under the age of thirteen years, unless such release is otherwise specifically prohibited by law.

13.50.260 Sealing hearings—Sealing of records.

- (1)(a) The court shall hold regular sealing hearings. During these regular sealing hearings, the court shall administratively seal an individual's juvenile record pursuant to the requirements of this subsection. Although the juvenile record shall be sealed, the social file may be available to any juvenile justice or care agency when an investigation or case involving the juvenile subject of the records is being prosecuted by the juvenile justice or care agency or when the juvenile justice or care agency is assigned the responsibility of supervising the juvenile. The juvenile respondent's presence is not required at any administrative sealing hearing.
- (b) At the disposition hearing of a juvenile offender, the court shall schedule an administrative sealing hearing to take place during the first regularly scheduled sealing hearing after the latest of the following events that apply:
 - (i) The respondent's eighteenth birthday;
 - (ii) Anticipated end date of a respondent's probation, if ordered;
- (iii) Anticipated release from confinement at the juvenile rehabilitation administration, or the completion of parole, if the respondent is transferred to the juvenile rehabilitation administration.

- (c) The court shall not schedule an administrative sealing hearing at the disposition and no administrative sealing hearing shall occur if one of the offenses for which the court has entered a disposition is at the time of commission of the offense:
 - (i) A most serious offense, as defined in RCW 9.94A.030;
 - (ii) A sex offense under chapter <u>9A.44</u> RCW; or
 - (iii) A drug offense, as defined in RCW 9.94A.030.
- (d) At the time of the scheduled administrative sealing hearing, the court shall enter a written order sealing the respondent's juvenile court record pursuant to this subsection if the court finds by a preponderance of the evidence that the respondent is no longer on supervision for the case being considered for sealing and has paid the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any public or private entity providing insurance coverage or health care coverage. In determining whether the respondent is on supervision or owes restitution, the court shall take judicial notice of court records, including records of the county clerk, and, if necessary, sworn testimony from a representative of the juvenile department.
- (e) At the time of the administrative sealing hearing, if the court finds the respondent remains on supervision for the case being considered for sealing, then the court shall continue the administrative sealing hearing to a date within thirty days following the anticipated end date of the respondent's supervision. At the next administrative sealing hearing, the court shall again determine the respondent's eligibility for sealing his or her juvenile court record pursuant to (d) of this subsection, and, if necessary, continue the hearing again as provided in this subsection.
- (f)(i) During the administrative sealing hearing, if the court finds the respondent is no longer on supervision for the case being considered for sealing, but the respondent has not paid the full amount of restitution owing to the individual victim named in the restitution order, excluding any public or private entity providing insurance coverage or health care coverage, the court shall deny sealing the juvenile court record in a written order that: (A) Specifies the amount of restitution that remains unpaid to the original victim, excluding any public or private entity providing insurance coverage or health care coverage; and (B) provides direction to the respondent on how to pursue the sealing of records associated with this cause of action.
- (ii) Within five business days of the entry of the written order denying the request to seal a juvenile court record, the juvenile court department staff shall notify the respondent of the denial by providing a copy of the order of denial to the respondent in person or in writing mailed to the respondent's last known address in the department of licensing database or the respondent's address provided to the court, whichever is more recent.
- (iii) At any time following entry of the written order denying the request to seal a juvenile court record, the respondent may contact the juvenile court department, provide proof of payment of the remaining unpaid restitution to the original victim, excluding any public or private entity providing insurance coverage or health care coverage, and request an administrative sealing hearing. Upon verification of the satisfaction of the restitution payment, the juvenile court department staff shall circulate for signature an order sealing the file, and file the signed order with the clerk's office, who shall seal the record.
- (iv) The administrative office of the courts must ensure that sealed juvenile records remain private in case of an appeal and are either not posted or redacted from any clerks papers that are posted online with the appellate record, as well as taking any other prudent steps necessary to avoid exposing sealed juvenile records to the public.
- (2) Except for dismissal of a deferred disposition under RCW 13.40.127, the court shall enter a written order immediately sealing the official juvenile court record upon the acquittal after a fact

finding or upon the dismissal of charges with prejudice, subject to the state's right, if any, to appeal the dismissal.

- (3) If a juvenile court record has not already been sealed pursuant to this section, in any case in which information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any; resolve the status of any debts owing; and, subject to RCW 13.50.050(13), order the sealing of the official juvenile court record, the social file, and records of the court and of any other agency in the case, with the exception of identifying information under RCW 13.50.050(13).
- (4)(a) The court shall grant any motion to seal records for class A offenses made pursuant to subsection (3) of this section if:
- (i) Since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent five consecutive years in the community without committing any offense or crime that subsequently results in an adjudication or conviction;
- (ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;
 - (iii) No proceeding is pending seeking the formation of a diversion agreement with that person;
- (iv) The person is no longer required to register as a sex offender under RCW <u>9A.44.130</u> or has been relieved of the duty to register under RCW <u>9A.44.143</u> if the person was convicted of a sex offense:
- (v) The person has not been convicted of rape in the first degree, rape in the second degree, or indecent liberties that was actually committed with forcible compulsion; and
- (vi) The person has paid the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any public or private entity providing insurance coverage or health care coverage.
- (b) The court shall grant any motion to seal records for class B, class C, gross misdemeanor, and misdemeanor offenses and diversions made under subsection (3) of this section if:
- (i) Since the date of last release from confinement, including full-time residential treatment, if any, entry of disposition, or completion of the diversion agreement, the person has spent two consecutive years in the community without being convicted of any offense or crime;
- (ii) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a criminal offense;
 - (iii) No proceeding is pending seeking the formation of a diversion agreement with that person;
- (iv) The person is no longer required to register as a sex offender under RCW <u>9A.44.130</u> or has been relieved of the duty to register under RCW <u>9A.44.143</u> if the person was convicted of a sex offense; and
- (v) The person has paid the full amount of restitution owing to the individual victim named in the restitution order, excluding restitution owed to any insurance provider authorized under Title 48 RCW.
- (c) Notwithstanding the requirements in (a) or (b) of this subsection, the court shall grant any motion to seal records of any deferred disposition vacated under RCW 13.40.127(9) prior to June 7, 2012, if restitution has been paid and the person is eighteen years of age or older at the time of the motion.
- (5) The person making a motion pursuant to subsection (3) of this section shall give reasonable notice of the motion to the prosecution and to any person or agency whose records are sought to be sealed.

- (6)(a) If the court enters a written order sealing the juvenile court record pursuant to this section, it shall, subject to RCW 13.50.050(13), order sealed the official juvenile court record, the social file, and other records relating to the case as are named in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.
- (b) In the event the subject of the juvenile records receives a full and unconditional pardon, the proceedings in the matter upon which the pardon has been granted shall be treated as if they never occurred, and the subject of the records may reply accordingly to any inquiry about the events upon which the pardon was received. Any agency shall reply to any inquiry concerning the records pertaining to the events for which the subject received a pardon that records are confidential, and no information can be given about the existence or nonexistence of records concerning an individual.
- (c) Effective July 1, 2019, the department of licensing may release information related to records the court has ordered sealed only to the extent necessary to comply with federal law and regulation.
- (7) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8) and 13.50.050(13).
- (8)(a) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying a sealing order; however, the court may order the juvenile court record resealed upon disposition of the subsequent matter if the case meets the sealing criteria under this section and the court record has not previously been resealed.
- (b) Any charging of an adult felony subsequent to the sealing has the effect of nullifying the sealing order.
- (c) The administrative office of the courts shall ensure that the superior court judicial information system provides prosecutors access to information on the existence of sealed juvenile records.
- (d) The Washington state patrol shall ensure that the Washington state identification system provides Washington state criminal justice agencies access to sealed juvenile records information.
- (e) The Washington state patrol shall ensure that the Washington state identification system provides non-Washington criminal justice agencies access to sealed juvenile records only for the purposes of processing and purchasing firearms, concealed pistol licenses, or alien firearms licenses, or releasing of firearms from evidence.
- (f) Non-Washington criminal justice agencies that access sealed juvenile records pursuant to this subsection shall not knowingly disseminate the accessed records or any information derived therefrom to any third party. Dissemination of such records or such information shall subject the disseminating agency to the jurisdiction of the courts of Washington and a civil penalty of not more than \$1,000 per violation.
- (9) If the juvenile court record has been sealed pursuant to this section, the record of an employee is not admissible in an action for liability against the employer based on the former juvenile offender's conduct to show that the employer knew or should have known of the juvenile record of the employee. The record may be admissible, however, if a background check conducted or authorized by the employer contained the information in the sealed record.
- (10) County clerks may interact or correspond with the respondent, his or her parents, restitution recipients, and any holders of potential assets or wages of the respondent for the purposes

of collecting an outstanding legal financial obligation after juvenile court records have been sealed pursuant to this section.

Appendix A: Juvenile Rehabilitation Sentencing Worksheet

These instructions describe the use of the Juvenile Rehabilitation (JR) Sentencing Worksheet DSHS 20-198.

PURPOSE

The Sentencing Worksheet is used to report information pertinent to the disposition of each juvenile admitted to JR or those sentenced to community supervision through the Special Sex Offender Disposition Alternative (SSODA) or Option C (Chemical Dependency/MHDA Disposition Alternative (CDMHDA)). The form serves as a worksheet for determining the minimum and maximum length of the standard range of confinement for each offense.

A single disposition grid will establish standard ranges to be imposed, unless the court chooses Option C (CDMHDA) or Option D (Manifest Injustice).

If a Manifest Injustice is invoked or the 300% or 150% rule is in effect, the length of the actual sentence ordered by the court should be entered on the Sentencing Worksheet in lieu of the standard range.

Data from the Sentencing Worksheet will be processed and stored in the JR's computer files in Olympia. For youths admitted to JR the data will be used by JR facilities for setting minimum and maximum release dates. Data about offenders assigned to the community through SSODA and Option C (CDMHDA) will be used to track offenders in those programs. Data extracted from the system will be used by JR to study the impact of the implementation of the Juvenile Justice Act.

GENERAL INSTRUCTIONS

A JR Sentencing Worksheet is completed for each juvenile admitted to the Juvenile Rehabilitation and each juvenile sentenced to community supervision through either SSODA or Option B (suspended disposition).

The juvenile sentencing guidelines are subject to modification by the state legislature. It is the responsibility of the sentencing court to ensure that the appropriate standards are being used for a specific offender.

Appendix A: Juvenile Rehabilitation Sentencing Worksheet

Questions regarding the use of the Juvenile Disposition Guidelines Manual should be referred to:

Caseload Forecast Council P.O. Box 40962 Olympia, WA 98504-0962 (360) 664-9380

Questions regarding the use or completion of the **Juvenile Rehabilitation Sentencing Worksheet** should be referred to:

Department of Children, Youth and Families Juvenile Rehabilitation P.O. Box 45720 Olympia, WA 98504-5720 (360) 902-8085

Personnel designated by the juvenile court administrators are responsible for the accuracy of the information provided to Juvenile Rehabilitation (JR). Please read the detailed instructions on the following pages before completing the worksheet. If you have any questions regarding the worksheet or these instructions, please contact the JR Information Services Manager.

For juveniles admitted to JR, the court should place a copy of the Sentencing Worksheet in the case file, retain a copy and send a copy to JR, along with any other admittance documents.

For juveniles sentenced to community supervision through SSODA or Option C (CDMHDA), the court should send a copy of the Sentencing Worksheet to the JR regional office. The worksheet should be sent as soon as possible after the juvenile's disposition.

Up to three current offenses can be put on a worksheet. If there are more than three offenses, attach a second sheet.

If there are more than sixteen prior offenses, compute the total score of the additional prior offenses not listed and place it in the appropriate box.

SUPPLY OF FORMS

Requests for blank forms should be directed to your local JR regional office.

Note: Appendix C provides a list of JR offenses code as a courtesy. These codes are used by JR in its client tracking system. New codes are added as needed by JR.

NOTE to all offense tables: The state legislature occasionally amends the title, definition, or (juvenile) seriousness level of crimes/offenses. Typically, when this happens, the change is effective on or after the effective date of the statute passed by the legislature. We have opted to retain the original as well as the updated listing for such offenses in our offense tables, even when the underlying crime no longer exists. For example, the crime Reckless Endangerment has been replaced by two classes of crime, Reckless Endangerment 1 and Reckless Endangerment 2. We retain the original crime as well as the two new classes. In referring to these offense lists, manual users should verify that the offense information they are using is appropriate given the date of the offense.
